DETAILS of a certain sensational case have been kept out of our columns at the request of several family men. Other subscribers again wish us to publish them. To meet both cases we have suppressed the proceedings so far as the paper itself is concerned, and have issued the verbatim report of the case sent by our London correspondent as a supplement, price 10 annas per V. P. P. If you require a copy, please return this post-card with your name and address.
