LOMBARDY-VENETIA, 1856.

I have examined the cover sheet of a folded letter sent from Polesella to Padova, posted on March 8, 1856, and franked with one postal-fiscal stamp of Lombardy-Venetia, "**Arms of the Austrian Empire**", 15 Centesimi black and green, value in lithographic printing, Sassone Catalogue #7, cancelled and tied to the cover by the single circle town-dated postmark "**POLESELLA / 8/3**", on reverse is the arrival of the same day, "**PADOVA / 8/3**", and no other postal markings, a colour reproduction of which is on the reverse of this certificate, reduced to 90% of true size, and am of the opinion that:

The cover sheet, postal-fiscal stamp attached, and postal markings described above, are **genuine in all respects**. The cover sheet is complete and sound, and is in reasonably fresh condition, with only minor age stains at the perforation tips of the adhesive.
