## Grading and Condition

<b>Superb</b>	Extraordinary item in the finest condition
<b>Extremely Fine (XF)</b>	A stamp or cover of outstanding and exceptional quality.
<b>Very Fine (VF)</b>	Scott Catalog's standard. Stamps will present a nice, balanced appearance. Covers appear new or show only minimal wear.
<b>Fine-Very Fine (F-VF)</b>	Stamp and/or covers are sound. Stamps are fully margined but noticeably off-center. Covers show normal travel wear
<b>Fine (F)</b>	Sound in all aspects. Perforated stamps will have the perforations clear of the design; imperforate stamps will not be cut into to any significant degree. Covers show extensive wear.
<b>Very Good (VG)</b>	Stamps with imperfect centering, stamps or covers with poor general appearance.

### Covers

Minor imperfections are normal for 19th-century envelopes that have been postally transmitted. These include, but are not limited to, nicks, edge or flap tears, or slight reductions; folded letters will often have at least one file fold. Further, covers may have an ordinary stamp with a minor defect. Acceptable forms of conservation include light cleaning and edge mending. These conditions, even if not described, are not grounds for return.

### Catalog Values

Unless otherwise noted, the currently available (2023 edition) Scott Catalogue values are quoted in U.S. dollars and rounded to the nearest dollar. Other catalogues are often used for foreign countries or specialized areas as required.

### Collection Lots

Please note that *all* collection lots are sold on an "as-is" basis and therefore **not returnable for any reason**. Every attempt has been made to provide an accurate description, and extensive imaging is available on our website. Most collection lots will contain stamps and/or covers with varying imperfections or faults. We strongly suggest that all lots of interest be viewed in advance of the sale.

*Please note that late payment for purchases may, at Daniel F. Kelleher's option, be considered just cause to revoke all return privileges.*

# CONDITIONS OF SALE - Public Auction

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE CONDITIONS OF SALE BETWEEN BIDDER AND DANIEL F. KELLEHER AUCTIONS, LLC ("KELLEHER")

## BIDDING

1. Unless announced otherwise by the auctioneer and/or automated auction system, all bids are per lot, as numbered in the printed Catalogue. Kelleher, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Kelleher reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith. Estimates of sales prices contained in the printed Catalogue reflect the best judgment of Kelleher and are not minimum or upset prices.

2. (a) Bids shall be made in the steps set forth on the bidding page for increments. (b) The highest bid acknowledged by the auctioneer and/or automated auction system shall prevail. Should a dispute arise between bidders (including a dispute between a floor or internet bidder and the auctioneer acting on behalf of a mail bidder, consignor or vendor, the auctioneer and/or automated auction system alone shall determine who the successful bidder is and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive. On all lots sold, a commission of 20% \* on the hammer price is payable by the buyer to the auctioneer together with any sales and use tax or customs duties. (c) Lots may be re-opened as necessary to accommodate connectivity issues or incorrect bids.

3. (a) The auctioneer and/or automated auction system reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer and/or automated auction system.

(b) Lots are offered subject to a reserve price. The auctioneer and/or automated auction system will implement such reserve price by bidding on behalf of the consignor/ vendor. (c) It may also be assumed that all consignors have been advanced monies against the sale of their consigned material and Kelleher therefore has a security interest in the consigned material over and above the normal auction commission.

(d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable.

(e) Agents are responsible for the payment of the purchase price for all purchases made on behalf of their clients, unless other arrangements with the auctioneer have been confirmed in writing prior to the auction.

## PAYMENT FOR PURCHASES

4. (a) Payment for lots, including those on which opinions are desired (Extensions), shall be as follows: (b) Live Bidders. Payment of the purchase price, or such part thereof as Kelleher shall require, shall be made by the purchaser in cash, bank or certified check, credit card, PayPal or in such other manner as Kelleher may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot.

(c) Mail/Internet/FAX/Website Bidders. A successful mail bidder will be notified of lots purchased. Before Kelleher will send such lots, payment in full must be received by Kelleher within three (3) business days of receipt of the aforesaid notification by the mail bidder. However, a purchaser known to Kelleher at its option may have purchases delivered or forwarded for immediate payment (by a dollar draft, ACH or wire transfer from a U.S. bank in the case of overseas purchasers). Mailed delivery will be to the address on the bid sheet and proof by Kelleher of receipt of a sending at the advised address shall constitute delivery. This includes disputes for payments made via PayPal and/or credit card. Buyer acknowledges that he/she waives their right to file a dispute in such cases with PayPal or their Credit Card Company. All charges for handling, delivery and insurance obtained by Kelleher on behalf of the purchaser shall be added to the purchase price; a minimum charge of \$20.00 will be made for same.

5. Title shall not pass to the purchaser until full payment has been received by Kelleher as agents for the consignor or vendor.

6. (a) Purchasers agree to pay for lots as specified in Condition of Sale 4 (or as the same may be modified by Condition of Sale 8), and no credit is extended; a late payment charge of 2% per month or fraction thereof shall be added if payment is not made in accordance with the aforesaid conditions.

(b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Kelleher, may, in its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty sale at such time as Kelleher Auctions, in its sole discretion, deems appropriate and the Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser, whether at auction or by private treaty, as well as for all costs and expenses of both sales, including all other charges due thereunder, including commissions with respect to both sales, whether payable to Kelleher or to a third party and all incidental damages. It shall be in Kelleher's sole discretion to determine whether to re-offer the lot theretofore hammered-down to a Non-Complying Bidder at the same auction, or by private treaty in due course, or at a subsequent auction conducted by Kelleher. In no event shall any surplus arising from the sale of a re-offered lot be payable to a Non-Complying Bidder.

(c) A defaulting purchaser shall be deemed to have granted Kelleher a security interest in property in Kelleher's possession owned by such purchaser. Kelleher shall have all of the rights afforded a purchase money secured party under the Connecticut Uniform Commercial Code (UCC) with respect to such property and may apply against such obligations all monies held or received by it for the account of, or due from Kelleher to such purchaser. Kelleher is authorized to file a Financing Statement in order to perfect its rights as a secured party.

(d) If Kelleher takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Kelleher to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. For purposes of this paragraph, the term legal steps shall be deemed to include any and all consultation by Kelleher with its attorneys with respect to all matters arising out of a delinquent account.

(e) Unless otherwise acceptable to Kelleher, payment is to be made only in the form of cash, bank check or certified check, personal check (which must clear prior to delivery of lots), credit card (AMEX, Visa, MasterCard and Discover), PayPal or a bank ACH or wire transfer. Payments made by credit card are accepted as a courtesy without surcharge.

## EXHIBITION AND INSPECTION OF LOTS; QUALITY AND AUTHENTICITY

7. (a) See viewing schedule for on-premises viewing and please note that we are a certified State of CT,

COVID-19 compliant business. As the guidance and rules change, please refer to the CT.GOV or CDC.GOV websites. Ample opportunity is given for on premises inspection prior to the auction date, by appointment only, and upon written request and at Kelleher's discretion. Live video viewing is also available, please contact our offices to arrange same, at least one week prior to the sale date.

(b) Each lot is sold as genuine and correctly described, based on individual description as modified by any specific notations in this Catalogue or as announced at the time of sale.

(c) Quality. Any lot which a purchaser considers to be incorrectly described and was not examined by the bidder or his agent prior to the sale, may be returned to Kelleher within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same is received by Kelleher within four weeks of the date of the auction and in its original packaging; however, Kelleher may, in its discretion, refuse acceptance of such returned lot. If an opinion of a mutually acceptable authority is desired (Extension), the period of time within which a lot must be received by Kelleher will be extended in accordance with Condition of Sale 7(g). In the event that a dispute cannot be resolved by reference to a mutually acceptable authority, and Kelleher thereupon undertakes to re-offer the lot with a description identical to the description disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the re-sale, including commission, and all incidental damages. Any lot, the description of which is disputed, must be returned intact and in the original packaging and in the condition received (unaltered) by the purchaser. The following lots are not returnable except at the discretion of Kelleher: (i) lots from purchasers who attended the exhibition of the lots; (ii) lots examined by postal viewers; (iii) lots on account of their appearance, if they are illustrated in this Catalogue or online; (iv) lots described as having repairs, defects or faults for any reason. (v) lots containing more than ten (10) items. (d) Authenticity. Any lot which is declared other than genuine by a mutually recognized authority is returnable, provided such lot is received by Kelleher within four weeks of the date of the auction. Proof that a mutually acceptable authority declines to express an opinion is not grounds for the return of a lot. (e) Expenses incurred by a purchaser in the submission and the return of a lot under Conditions of Sale 7 is not subject to refund. (f) Numerical grading is subjective and is based upon the condition of each issue. Lots may not be returned if a third party grades a stamp at lower than our grade. (g) Lots with existing certificates from the Philatelic Foundation (PF) or Professional Stamp Experts (PSE), British Philatelic Association (BPA), Royal Philatelic Society (London) (RPSL) and Australia (RPSA), Vincent Graves Greene Foundation (VGG) or any other expertizing authority as recognized by the International Association of Philatelic Experts (AIEP), for items within their specialty and dated within the last seven (7) years from the date of sale, will be offered and sold on an "as-is" basis and as so stated on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary verbal or written opinion or certificate.

## SALES TAX/CUSTOMS DUTIES

Buyers outside the U.S. are responsible for all customs duties. Dear Sir,

I have sent to Gen. Berkey an application to be appointed Post Master here with a request that he will send it to Washington with such remarks as he may feel willing to make, I want to get you to write to Mr. Oving as favorably as you can and immediately, the reason for this is that our Loco Foco P.M. has privately resigned & procured the appointment of Wm Bacon (who has been deputy under him) his commission has not come on & I wish to prevent it, the office here is worth not much yet for certain reasons I am rather anxious to get it, Bacon has sometimes been Whig & sometimes Abolitionist he is one of that kind of Whigs that always find something wrong in what the Whigs do, if Mr. Wads name along with yours would do any good I presume you might get it, I am thankful for sundry documents, viz; Will the report of the code commissioners be adopted, I mentioned in my communication to the S. M. C. that I had written you & that I thought he would get a letter from you. Nothing new here. Let me hear from you soon.

Yours Truly,

Just regular issue of U.S. stamps to be printed by a private bank note company, these varieties are prized for their small size and simple design. Continuing an American tradition, these stamps honor U.S. presidents, military heroes, and political leaders. Of philatelic note and value are small white "caps" found on some of the 2¢ values.

Apr 17 1862  
Manassas Junction Va.

Dear Alice

Yours of the 13th  
hand and found me well and hearty  
and eager for the trip when the  
comes for our Division to pitch into  
the Rebel Varmints. We left Alexandria  
on the 12th for this place. We marched  
16 miles the first day, and camped  
for the night, at 4 o'clock 2 miles  
from Centerville, and the next  
morning we started for here and  
arrived at 2 o'clock in the afternoon  
very tired. The distance is 27  
miles, and we had big loads  
to carry. Some of the men threw  
away their over coats and blankets  
to lighten up, but we held on  
to all we had. I think that  
the Government are trying to see  
what kind of Pack Menly

✉ **Soldier's Letter, Manassas Junction, Apr 17, 1862**, an easily read, 4-page letter with excellent content, the writer describing the march from Washington to confidence of the troops (referring to the "Rebel Varmints" and "critters"), etc. and adding two notes to the end: "N.B I am going to bring a little Niger home w their mothers." The 3¢ stamped envelope in which the letter was mailed to Tinker Run, Pa., is canceled Washington D.C., the month being illegible, Very Fine Suggested Bid \$75

we make. It is not right - to make us carry so much on a long march. But we do it with a will. For we are all anxious to get on the march to get a shot at the Rebels. I don't see why the Rebels did not make a stand here and Centreville for they had both places well fortified. They have forts built all around both places, and any amount of rifle pits, but they got scared, and we will scold them more before many weeks, there has been a great many of them killed here. Our Regiment is now quartered in the 4th North Carolina where they are good Log Cabins and they have lived well, but their quarters were very dirty when we came here. And it took the Boys some time to clean them up. I would not bunk in them so three of us went out and captured a tent and put it up on the side of a hill near the Quarters. And put a Board floor in it. And we get along fine. The Cars - running back and forth puts me in mind of home, and cheers us up a little. But the Country around looks very desolate. We may be here some time, but it is hard to tell how long. I don't think that we will leave until Yorktown is taken. And then we will be marched on toward Richmond by Rail and attack them in the front, while McClellan pitches in to them from Yorktown by a flank movement. We are 100 hundred miles from Richmond. And it won't take us long to go

there by R. Road. Unless some small Impediments stops us on the way for a short time in the shape of Rebels. But we will go through when we start for we know of nothing but Victory now. I would of liked to of been at home to get some Buttermilk. for I have not tasted a bit since I left. I see by the paper that Joe Thompson that lives below you, was killed in the first days skirmish near Yorktown he was in Co of 63rd Regiment. I will send you the paper, The Philadelphia Enquirer of the 16th. It is getting very warm here now and it will smell very bad before long for there are any amount of dead horses laying around loose. I must now close. Give my love to all at home and my respects to all inquiring friends write soon. Your Affectionate Uncle  
 To Miss E. H. McWilliamy  
 Z. B. Lufkin  
 P.S. I am going to bring a little of Rizer home with me.

Dear Mr. Devol,

Silas Bent was appointed postmaster of Brook [without the "e" at the end of Brook] C. H., Va., sometime between April 1 and July 1, 1801. He was replaced by Robert Colwell sometime between January 1 and April 1, 1803. I can't be more specific than that.

I am the last person on earth who would be called an expert historian on the Civil War. There was of course the firing on Fort Sumter and the Baltimore riots, the Federal evacuation from Norfolk, and other actions during April and May of 1861. What is an action, a skirmish, or a battle I don't know. And what day the war really started I don't know. Quoting from Long's book, *The Civil War Day by Day*: "June 1, Saturday. Minor skirmishes occurred in northern Virginia at Arlington Mills and Fairfax Court House. Federal cavalry moved out of Fairfax, entered, and then pulled out. The insignificant affair attracted more attention than it deserved because serious fighting had not yet begun. Capt. John Q. Marr of the Confederacy was killed, one of the first Confederate battle deaths." One reference states "Union 1 killed, 4 wounded. Confederate 1 killed, 14 wounded."

Long also calls the June 3 "Philippi Races" a "minor action." About 2 Union were killed and 15 Confederate killed. The first land "battle" I believe to be at Bull Run or Manassas on July 21.

Harvey Sheppard showed me your Xerox copies of your Virginia collection. I am indeed impressed. Have you considered joining the Virginia Postal History Society?

Most sincerely,

*Robert*
