### Welcome to the Kelleher Spring 2011 American Stamp **Dealer Association New York City Auction**

Springtime in New York City has always been a special time of year, especially for those here in the Northeast who have endured an especially difficult winter!

Springtime also means attending the annual ASDA Show. Speaking for the entire Kelleher Staff, we are delighted to be back in the auctioneer's seat, especially in light of the resounding success of our inaugural sale held in the conjunction with the October show.

This time around, there will be a noticeable difference working together for this sale, will be two of the most storied firms in the history of U.S. philately. Harmers International, under the direction of Keith Harmer, and the Kelleher firm will be working in tandem to present these sales. Keith along with David and I, have always enjoyed a strong personal friendship & professional respect, and plans are under discussion for collaboration on a greater level.

In the meantime, there is much material of interest found throughout these pages. We are pleased to offer the final installment of the Beane Family collection including collection and group lots, which undoubtedly should produce great interest. Additionally, we are pleased to offer the Gold Medal collection of Lindbergh, formed by Mr. Robert Spooner. Another section which should generate quite some interest is the "Red Flower" collection of the foreign post offices in China. The "Red Flower" holding for China and Hong Kong formed formidable sections in the inaugural Dynasty Auction sale at the end of March in Hong Kong. Finally, Part I of the Dennis McCorry Estate will be featured, which includes many delightful collection lots formed decades ago.

Please stop by to say hello, and be sure to allow ample time for both viewing and for enjoying one of the America's best stamp shows!

Lt. Col. Dennis P. McCorry

Birth date: February 11, 1944 Death date: December 23, 2009

Began collecting stamps at the age of eight, he was "transacting business" at a very young age! and his love (and expertise) of history (he was a history major at Rutgers with emphasis on the Civil War and Abraham Lincoln) was the foundation of his collecting. He had covers that dated back into the 1800s and would be able to tell exactly what was happening in the country and the world at that time. He entered the Air Force during Viet Nam (he is buried at Arlington National Cemetery in the Viet Nam era section) and spent 23 years, retiring as a Lt. Colonel. He was an Air Force navigator, so his love of airplanes and air travel are also reflected in his stamp collecting. During his lifetime he was help others with their own collections (as a friend), helped Boy Scouts with stamp collecting badges, and donated a lot of stamps and collecting material to the Veteran's Administration.

### **Grading and Condition**

Superb **Extremely Fine** Fine-Very Fine (F-VF)

Extraordinary item in the finest condition. Outstanding and exceptional Quality

Stamp and or cover in sound condition; if a stamp, it is less well-centerd than Very Fine but better centered than Fine. Sound in all aspects. Perforated stamps will have the designs clear of the perforations; the designs of imperforate stamps will not be cut in to any significant degree.

Imperfect centering (stamps) or poor general appearance.

Covers & Cancels

Very Good (VG)

Minor imperfections, including but not limited to: nicks, edge or flap tears or slight reductions are normal conditions for 19th century envelopes that have been postally transmitted. Folded letters would have at least one file fold. Acceptable forms of conservation include light cleaning and edge mending. Covers may have an ordinary stamp with a minor defect. The above exist in most 19th century covers and are not always described and therefore not grounds for return.

Catalogue Values

Unless otherwise noted, the currently available Scott Catalogue values (mostly 2011 editions) are quoted in dollars and rounded to the nearest dollar. Other catalogues are often used for foreign countries or specialized areas as provided.

#### CONDITIONS OF SALE

### THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE CONDITIONS OF SALE BETWEEN BIDDER AND DANIEL F. KELLEHER AUCTIONS, LLC ("KELLEHER")

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed Catalogue. Kelleher, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Kelleher reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith. Estimates of sales prices contained in the printed Catalogue reflect the best judgment of Kelleher and are not minimum or upset prices.

2. (a) Bids shall be made in the steps set forth on the bidding page (ii). (b) The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders (including a dispute between a floor or internet bidder and the auctioneer acting on behalf of amail bidder, consignor or vendor), the auctioneer alone shall determine who the successful bidder is and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive. On all lots sold, a commission of 15% on the hammer price is payable by the buyer to the auctioneer together with any sales and use tax or customs duties. 3. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer. (b) Lots are offered subject to a reserve price. The auctioneer will implement such reserve price by bidding on behalf of the consignor vendor. (c) It may also be assumed that all consignors have been advanced monies against the sale of their consigned material and Kelleher therefore has a security interest in the consigned material over and above the normal auction commission.

- (d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable.
- (e) Agents are responsible for the payment of the purchase price for all purchases made on behalf of their clients, unless other arrangements with the auctioneer have been confirmed in writing prior to the auction.

Mailed delivery will be to the address on the bid sheet and proof by Kelleher of receipt of a sending at the advised address shall constitute delivery. All charges for handling, delivery and insurance obtained by Kelleher on behalf of the purchaser shall be added to the purchase price; a minimum charge of \$10.00 will be made. Risk of loss in transit shall be on the purchaser.

5. Title shall not pass to the purchaser until full payment has been received by Kelleher as agents for the consignor or vendor.

(b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Kelleher, may, in its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty at such time as Kelleher Auctions, in its sole discretion, deems appropriate and the Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser, whether at auction or by private treaty, as well as for all costs and expenses of both sales, all other charges due thereunder, including commissions with respect to both sales, whether payable to Kelleher or to a third party and all incidental damages. received by it for the account of, or due from Kelleher to such purchaser. Kelleher is authorized to file a Financing Statement in order to perfect its rights as a secured party.

(d) If Kelleher takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Kelleher to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. (c) Quality. Any lot which a purchaser considers to be incorrectly described may be returned to Kelleher within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same is received by Kelleher within four weeks of the date of the auction; however, Kelleher may, in its discretion, refuse acceptance of such returned lot. If an opinion of a mutually acceptable authority is desired, the period of time within which a lot must be received by Kelleher will be extended in accordance with Condition of Sale 8. In the event that a dispute cannot be resolved by reference to a mutually acceptable authority, and Kelleher thereupon undertakes to re-offer the lot with a description identical to the description disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the resale, including commission, and all incidental damages.
