Grading and Condition

Superb	Extraordinary item in the finest condition
Extremely Fine	Outstanding and exceptional quality
Fine-Very Fine (F-VF)	Stamp and/or cover in sound condition; if a stamp, it is less well-centered than Very Fine but better centered than Fine.
Fine	Sound in all aspects. Perforated stamps will have the perforations clear of the design; the designs of imperforate stamps will not be cut into to any significant degree.
Very Good (VG)	Imperfect centering (stamps) or poor general appearance.

Covers & Cancels

Minor imperfections, including but not limited to nicks, edge or flap tears or slight reductions are normal conditions for 19th-century envelopes that have been postally transmitted. Folded letters would have at least one file fold. Acceptable forms of conservation include light cleaning and edge mending. Covers may have an ordinary stamp with a minor defect. The above exist on most 19th-century covers and are not always described and are therefore not grounds for return.

Catalog Values

Unless otherwise noted, the currently available Scott Catalog values (2018 edition) are quoted in U.S. dollars and rounded to the nearest dollar. Other catalogs are used for foreign countries or specialized areas as needed.

Collection Lots and Condition

Please note that ALL collection lots are sold on an "as-is" basis and are therefore not returnable for any reason. Every attempt has been made to provide an accurate description, and images for most are available on our website. Most collection lots will contain stamps/ covers with varying degrees of imperfections/faults. We strongly suggest that lots of interest be viewed in advance of the sale.

Please also note that late payment for purchases may, at Daniel F. Kelleher's option, be considered just cause to revoke all return privileges.

CONDITIONS OF SALE - Public Auction

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE CONDITIONS OF SALE BETWEEN BIDDER AND DANIEL F. KELLEHER AUCTIONS, LLC ("KELLEHER")

BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed Catalogue. Kelleher, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Kelleher reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith. Estimates of sales prices contained in the printed Catalogue reflect the best judgment of Kelleher and are not minimum or upset prices.

2. (a) Bids shall be made in the steps set forth on the bidding page (ii). (b) The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders (including a dispute between a floor or internet bidder and the auctioneer acting on behalf of a mail bidder, consignor or vendor), the auctioneer alone shall determine who the successful bidder is and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive. On all lots sold, a commission of **20% *** on the hammer price is payable by the buyer to the auctioneer together with any sales and use tax or customs duties.

3. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer.

(b) Lots are offered subject to a reserve price. The auctioneer will implement such reserve price by bidding on behalf of the consignor vendor. (c) It may also be assumed that all consignors have been advanced monies against the sale of their consigned material and Kelleher therefore has a security interest in the consigned material over and above the normal auction commission.

(d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable.

(e) Agents are responsible for the payment of the purchase price for all purchases made on behalf of their clients, unless other arrangements with the auctioneer have been confirmed in writing prior to the auction.

PAYMENT FOR PURCHASES

4. (a) Payment for lots, including those on which opinions are desired (Condition of Sale), shall be as follows:

(b) Floor Bidders. Payment of the purchase price, or such part thereof as Kelleher shall require, shall be made by the purchaser in cash or bank or certified check or in such other manner as Kelleher may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot.

(c) Mail Bidders. A successful mail bidder will be notified of lots purchased. Before Kelleher will send such lots, payment in full must be received by Kelleher within three (3) business days of receipt of the aforesaid notification by the mail bidder. However, a purchaser known to Kelleher at its option may have purchases delivered or forwarded for immediate payment (by a dollar draft on a U.S. bank in the case of overseas purchasers). Mailed delivery will be to the address on the bid sheet and proof by Kelleher of receipt of a sending at the advised address shall constitute delivery. All charges for handling, delivery and insurance obtained by Kelleher on behalf of the purchaser shall be added to the purchase price; a minimum charge of \$20.00 will be made.

(d) **Prompt Payment Discount** - Successful bidders whose payment is received within 15 calendar days from the date of the auction, shall be entitled to a 2% prompt payment discount of the hammer price of each lot, regardless of the method of payment.

5. Title shall not pass to the purchaser until full payment has been received by Kelleher as agents for the consignor or vendor.

6. (a) Purchasers agree to pay for lots as specified in Condition of Sale 4 (or as the same may be modified by Condition of Sale 8), and no credit is extended; a late payment charge of 2% per month or fraction thereof shall be added if payment is not made in accordance with the aforesaid conditions.

(b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Kelleher, may, in its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty at such time as Kelleher Auctions, in its sole discretion, deems appropriate and the Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser, whether at auction or by private treaty, as well as for all costs and expenses of both sales, all other charges due thereunder, including commissions with respect to both sales, whether payable to Kelleher or to a third party and all incidental damages. It shall be in Kelleher's sole discretion to determine whether to re-offer the lot theretofore hammered-down to a Non-Complying Bidder at the same auction, or by private treaty in due course, or at a subsequent auction conducted by Kelleher. In no event shall any surplus arising from the sale of a re-offered lot be payable to a Non-Complying Bidder.

(c) A defaulting purchaser shall be deemed to have granted Kelleher a security interest in property in Kelleher's possession owned by such purchaser. Kelleher shall have all of the rights afforded a purchase money secured party under the Connecticut or Massachusetts Uniform Commercial Code with respect to such property and may apply against such obligations all monies held or received by it for the account of, or due from Kelleher to such purchaser. Kelleher is authorized to file a Financing Statement in order to perfect its rights as a secured party.

(d) If Kelleher takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Kelleher to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. For purposes of this paragraph, the term legal steps shall be deemed to include any and all consultation by Kelleher with its attorneys with respect to all matters arising out of a delinquent account.

(e) Unless otherwise acceptable to Kelleher, payment is to be made only in the form of cash, bank check or certified check, personal check (which must clear prior to delivery of lots), credit card (AMEX, Visa, MasterCard and Discover), PayPal or a bank wire transfer. Payments made by credit card are accepted as a courtesy without surcharge, if paid within 15 days of sale date.

EXHIBITION AND INSPECTION OF LOTS; QUALITY AND AUTHENTICITY

7. (a) See viewing schedule for on-premises viewing. Ample opportunity is given for on premises inspection prior to the auction date, and, upon written request and at Kelleher discretion. Live video viewing is also available, please contact our offices to arrange same.

(b) Each lot is sold as genuine and correctly described, based on individual description as modified by any specific notations in this Catalogue.

(c) Quality. Any lot which a purchaser considers to be incorrectly described may be returned to Kelleher within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same is received by Kelleher within four weeks of the date of the auction; however, Kelleher may, in its discretion, refuse acceptance of such returned lot. If an opinion of a mutually acceptable authority is desired, the period of time within which a lot must be received by Kelleher will be extended in accordance with Condition of Sale 7(g). In the event that a dispute cannot be resolved by reference to a mutually acceptable authority, and Kelleher thereupon undertakes to re-offer the lot with a description identical to the description disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the re-sale, including commission, and all incidental damages. Any lot, the description of which is disputed, must be returned intact and in the original packaging and in the condition received (unaltered) by the purchaser. The following lots are not returnable except at the discretion of Kelleher: (i) lots from purchasers who attended the exhibition of the lots; (ii) lots examined by postal viewers; (iii) lots on account of their appearance, if they are illustrated in this Catalogue or online; or (iv) lots described as having repairs, defects or faults for any reason. (v) lots containing more than ten (10) items. (d) Authenticity. Any lot which is declared otherwise than genuine by a mutually recognized authority is returnable, provided such lot is received by Kelleher within four weeks of the date of the auction. Proof that a mutually acceptable authority declines to express an opinion is not grounds for the return of a lot.

(e) Expenses incurred a purchaser in the submission and the return of a lot under Conditions of Sale 7 is not subject to refund.

(f) Numerical grading is subjective and is based upon the condition of each issue. Lots may not be returned if a third party grades a stamp at lower than our grade.

(g) Lots with existing certificates from the Philatelic Foundation (PF) or Professional Stamp Experts (PSE), British Philatelic Association (BPA), Royal Philatelic Society (London) (RPSL) and Australia (RPSA), Vincent Graves Greene Foundation (VGG) or any other expertizing authority as recognized by the International Association of Philatelic Experts (AIEP), for items within their specialty and dated within the last seven (7) years from the date of sale, will be offered and sold on an "as-is" basis and as so stated on the certificate. Such lots may not be returned for any reason, including but not limited to a contrary verbal or written opinion or certificate.
