Grading and Condition

Superb	Extraordinary item in the finest condition
Extremely Fine (XF)	A stamp or cover of outstanding and exceptional quality.
Very Fine (VF)	Scott Catalog's standard. Stamps will present a nice, balanced appearance. Covers appear new or show only minimal wear.
Fine-Very Fine (F-VF)	Stamp and/or covers are sound. Stamps are fully margined but noticeably off-center. Covers show normal travel wear
Fine (F)	Sound in all aspects. Perforated stamps will have the perforations clear of the design; imperforate stamps will not be cut into to any significant degree. Covers show extensive wear.
Very Good (VG)	Stamps with imperfect centering, stamps or covers with poor general appearance.

Covers

Minor imperfections are normal for 19th-century envelopes that have been postally transmitted. These include, but are not limited to, nicks, edge or flap tears, or slight reductions; folded letters will often have at least one file fold. Further, covers may have an ordinary stamp with a minor defect. Acceptable forms of conservation include light cleaning and edge mending. These conditions, even if not described, are not grounds for return.

Catalog Values

Unless otherwise noted, the currently available (2021 edition) Scott Catalogue values are quoted in U.S. dollars and rounded to the nearest dollar. Other catalogues are often used for foreign countries or specialized areas as required.

Collection Lots

Please note that **all** collection lots are sold on an "as-is" basis and therefore **not returnable for any reason**. Every attempt has been made to provide an accurate description, and extensive imaging is available on our website. Most collection lots will contain stamps and/or covers with varying imperfections or faults. We strongly suggest that all lots of interest be viewed in advance of the sale.

Please note that late payment for purchases may, at Daniel F. Kelleher's option, be considered just cause to revoke all return privileges.

Originally issued without gum in 1935 in response to protests over PMG Farley's practice of presenting imperforate press sheets to certain government officials, in 1940 the Post Office Department offered to and did in fact gum full sheets of #756-765 and 769-770 that we sent in by their owners. This program was not widely known so few collectors actually participated, and these gummed stamps are quite scarce.

CONDITIONS OF SALE - Public Auction

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE CONDITIONS OF SALE BETWEEN BIDDER AND DANIEL F. KELLEHER AUCTIONS, LLC ("KELLEHER")

BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed Catalogue. Kelleher, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Kelleher reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith. Estimates of sales prices contained in the printed Catalogue reflect the best judgment of Kelleher and are not minimum or upset prices.

2. (a) Bids shall be made in the steps set forth on the bidding page for increments. (b) The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders (including a dispute between a floor or internet bidder and the auctioneer acting on behalf of a mail bidder, consignor or vendor, the auctioneer alone shall determine who the successful bidder is and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive. On all lots sold, a commission of 20% * on the hammer price is payable by the buyer to the auctioneer together with any sales and use tax or customs duties. (c) Lots may be re-opened as necessary to accommodate connectivity issues or incorrect bids.

3. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer.

(b) Lots are offered subject to a reserve price. The auctioneer will implement such reserve price by bidding on behalf of the consignor/ vendor. (c) It may also be assumed that all consignors have been advanced monies against the sale of their consigned material and Kelleher therefore has a security interest in the consigned material over and above the normal auction commission.

(d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable.

(e) Agents are responsible for the payment of the purchase price for all purchases made on behalf of their clients, unless other arrangements with the auctioneer have been confirmed in writing prior to the auction.

PAYMENT FOR PURCHASES

4. (a) Payment for lots, including those on which opinions are desired (Extensions), shall be as follows:

(b) Floor Bidders. Payment of the purchase price, or such part thereof as Kelleher shall require, shall be made by the purchaser in cash, bank or certified check, credit card, PayPal or in such other manner as Kelleher may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot.

(c) Mail/Internet/FAX/Website Bidders. A successful mail bidder will be notified of lots purchased. Before Kelleher will send such lots, payment in full must be received by Kelleher within three (3) business days of receipt of the aforesaid notification by the mail bidder. However, a purchaser known to Kelleher at its option may have purchases delivered or forwarded for immediate payment (by a dollar draft, ACH or wire transfer from a U.S. bank in the case of overseas purchasers). Mailed delivery will be to the address on the bid sheet and proof by Kelleher of receipt of a sending at the advised address shall constitute delivery. This includes disputes for payments made via PayPal and/or credit card. Buyer acknowledges that he/she waives their right to file a dispute in such cases with PayPal or their Credit Card Company. All charges for handling, delivery and insurance obtained by Kelleher on behalf of the purchaser shall be added to the purchase price; a minimum charge of \$20.00 will be made for same.

(d) Prompt Payment Discount - Successful bidders whose payment is received within 15 calendar days from the date of the auction, shall be entitled to a 2% prompt payment discount of the hammer price of each lot, regardless of the method of payment.

5. Title shall not pass to the purchaser until full payment has been received by Kelleher as agents for the consignor or vendor.

6. (a) Purchasers agree to pay for lots as specified in Condition of Sale 4 (or as the same may be modified by Condition of Sale 8), and no credit is extended; a late payment charge of 2% per month or fraction thereof shall be added if payment is not made in accordance with the aforesaid conditions.

(b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Kelleher, may, in its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty sale at such time as Kelleher Auctions, in its sole discretion, deems appropriate and the Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser, whether at auction or by private treaty, as well as for all costs and expenses of both sales, including all other charges due thereunder, including commissions with respect to both sales, whether payable to Kelleher or to a third party and all incidental damages. It shall be in Kelleher's sole discretion to determine whether to re-offer the lot theretofore hammered-down to a Non-Complying Bidder at the same auction, or by private treaty in due course, or at a subsequent auction conducted by Kelleher. In no event shall any surplus arising from the sale of a re-offered lot be payable to a Non-Complying Bidder.

(c) A defaulting purchaser shall be deemed to have granted Kelleher a security interest in property in Kelleher's possession owned by such purchaser. Kelleher shall have all of the rights afforded a purchase money secured party under the Connecticut Uniform Commercial Code (UCC) with respect to such property and may apply against such obligations all monies held or received by it for the account of, or due from Kelleher to such purchaser. Kelleher is authorized to file a Financing Statement in order to perfect its rights as a secured party.

(d) If Kelleher takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Kelleher to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. For purposes of this paragraph, the term legal steps shall be deemed to include any and all consultation by Kelleher with its attorneys with respect to all matters arising out of a delinquent account.

(e) Unless otherwise acceptable to Kelleher, payment is to be made only in the form of cash, bank check or certified check, personal check (which must clear prior to delivery of lots), credit card (AMEX, Visa, MasterCard and Discover), PayPal or a bank ACH or wire transfer. Payments made by credit card are accepted as a courtesy without surcharge.

(b) Each lot is sold as genuine and correctly described, based on individual description as modified by any specific notations in this Catalogue or as announced at the time of sale.

(c) Quality. Any lot which a purchaser considers to be incorrectly described and was not examined by the bidder or his agent prior to the sale, may be returned to Kelleher within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same is received by Kelleher within four weeks of the date of the auction and in its original packaging; however, Kelleher may, in its discretion, refuse acceptance of such returned lot. If an opinion of a mutually acceptable authority is desired (Extension), the period of time within which a lot must be received by Kelleher will be extended in accordance with Condition of Sale 7(g). In the event that a dispute cannot be resolved by reference to a mutually acceptable authority, and Kelleher thereupon undertakes to re-offer the lot with a description identical to the description disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the re-sale, including commission, and all incidental damages. Any lot which is declared other than genuine by a mutually recognized authority is returnable, provided such lot is received by Kelleher within four weeks of the date of the auction. (e) Expenses incurred by a purchaser in the submission and the return of a lot under Conditions of Sale 7 is not subject to refund. (f) Numerical grading is subjective and is based upon the condition of each issue. Lots may not be returned if a third party grades a stamp at lower than our grade.
