Table from the *Scott Specialized Catalogue of United States Stamps & Covers*, ©2020 Amos Media

Grading and Condition

Superb	Extraordinary item in the finest condition.
Extremely Fine (XF)	A stamp or cover of outstanding and exceptional quality.
Very Fine (VF)	Scott Catalog's standard. Stamps will present a nice, balanced appearance. Covers appear new or show only minimal wear.
Fine-Very Fine (F-VF)	Stamp and/or covers are sound. Stamps are fully margined but noticeably off-center. Covers show normal travel wear.
Fine (F)	Sound in all aspects. Perforated stamps will have the perforations clear of the design; imperforate stamps will not be cut into to any significant degree. Covers show extensive wear.
Very Good (VG)	Stamps with imperfect centering, stamps or covers with poor general appearance.

Covers

Minor imperfections are normal for 19th-century envelopes that have been postally transmitted. These include, but are not limited to, nicks, edge or flap tears, or slight reductions; folded letters will often have at least one file fold. Further, covers may have an ordinary stamp with a minor defect. Acceptable forms of conservation include light cleaning and edge mending. These conditions, even if not described, are not grounds for return.

Catalog Values

Unless otherwise noted, the currently available (2023 edition) Scott Catalogue values are quoted in U.S. dollars and rounded to the nearest dollar. Other catalogues are often used for foreign countries or specialized areas as required.

Collection Lots

Please note that **all** collection lots are sold on an "as-is" basis and therefore **not returnable for any reason**. Every attempt has been made to provide an accurate description, and extensive imaging is available on our website. Most collection lots will contain stamps and/or covers with varying imperfections or faults. We strongly suggest that all lots of interest be viewed in advance of the sale.

Please note that late payment for purchases may, at Daniel F. Kelleher's option, be considered just cause to revoke all return privileges.

The concession was originally granted by the Matabele King, Lobengula, to Sir John Swinburne in exchange for gold and arms. It was administered by the territory known as the Bechuanaland Protectorate after 1893, but was formally annexed to it by Proclamation Number 2 of 1911 by the High Commissioner of Bechuanaland. It was locally administered by a Justice of the Peace.

SOUTH AFRICA

- 152 ✉ **South Africa, Important Kafir Wars folded letter, 1851**, Lengthy letter from Bombardier Charles Ball, datelined Port St. Louis, Mauritius, Nov. 1, 1851. A typewritten transcription of most of the letter accompanies. The letter is filled with details of the battles and troop movements during this period. For example: "The 'Humes' steamer came here from the Cape of Good Hope yesterday and brings great news from that place, the 1st Battalion 12th Reg. had been engaged and had three men wounded. They managed to kill 10 Caffirs and succeeded in retaking a large number of buffaloes" "There was a general court martial here the other day for the trial of 4 prisoners, two of them got 7 years apiece and to be marked with the letter D in conformity with the 35th clause of the Mutiny act. Another young man got 14 years and the fourth one got 21 years— but what/or? why for striking an officer." The folded letter bears black oval postmark "PACKET LETTER MAURITIUS" rate marking "2," red backstamp and blue "DERRY JA 20 1852 C" circular backstamp. A wonderful and rare piece of African/British history from this period. Estimate \$300 - 400

The Kafir Wars were a series of nine wars between the Xhosa Kingdom and the British Empire and the Trekboers in what is now called Eastern Cape in South Africa. These events were the longest-running military actions in the history of European colonialism in Africa.

The cover has a **U.S. Christian Commission** corner card and the first letter, dated Oct 11, 1864, has a *matching letterhead*; the overweight cover held both letters, the U.S. postage paid by a cork-canceled 12¢ black; a poorly struck Richmond, Va. c.d.s. ties a C.S.A. 10¢ blue type I for Confederate postage. In the first letter, Norris tells his father that he has "to write this lying down" due to the fact that he had had his left leg amputated below the knee a week earlier, but is currently "doing fine." The second letter, dated Nov 15, is a long, thoughtfully written letter of condolence from Christian Commission agent, L.H. Research into the recipient's (Landry) family correspondence has proved that this cover was smuggled out of Union-occupied New Orleans by the mails there. 1989, American Bank Note Holographies production essay and proof for the Space Station Envelope (Scott U617). In 1989 the US issued its first holographic stamped envelope picturing a space shuttle docking at a futuristic space station. The hologram was created by an American Bank Note Co. subsidiary, American Bank Note Holographies. Offered here are two aluminized glass plates (6" x 8.75" x 0.25") that were created during the initial phases of design and development as approval models for the final design. The first plate depicts a fully sculpted version of the basic design that was rejected by the USPS and thus can be considered an essay. The second plate is a 20 multi-plane version of the design that was accepted by the USPS and thus would be considered a proof. Included with the two plates is a color photograph prepared by ABNH that shows the final hologram image as seen from various viewing angles. One other version of the fully sculpted essay is known, but no other example of the multi-plane proof has been seen. An incredibly rare pair of plates of the very first US holographic issue. CONDITIONS OF SALE - Public Auction

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE CONDITIONS OF SALE BETWEEN BIDDER AND DANIEL F. KELLEHER AUCTIONS, LLC ("KELLEHER")

BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed Catalogue. Kelleher, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Kelleher reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith. Estimates of sales prices contained in the printed Catalogue reflect the best judgment of Kelleher and are not minimum or upset prices.

2. (a) Bids shall be made in the steps set forth on the bidding page for increments. (b) The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders (including a dispute between a floor or internet bidder and the auctioneer acting on behalf of a mail bidder, consignor or vendor, the auctioneer alone shall determine who the successful bidder is and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive. On all lots sold, a commission of 20% * on the hammer price is payable by the buyer to the auctioneer together with any sales and use tax or customs duties. (c) Lots may be re-opened as necessary to accommodate connectivity issues or incorrect bids.

3. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer. (b) Lots are offered subject to a reserve price. The auctioneer will implement such reserve price by bidding on behalf of the consignor/ vendor. (c) It may also be assumed that all consignors have been advanced monies against the sale of their consigned material and Kelleher therefore has a security interest in the consigned material over and above the normal auction commission. (d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable. (e) Agents are responsible for the payment of the purchase price for all purchases made on behalf of their clients, unless other arrangements with the auctioneer have been confirmed in writing prior to the auction.

PAYMENT FOR PURCHASES

4. (a) Payment for lots, including those on which opinions are desired (Extensions), shall be as follows: (b) Floor Bidders. Payment of the purchase price, or such part thereof as Kelleher shall require, shall be made by the purchaser in cash, bank or certified check, credit card, PayPal or in such other manner as Kelleher may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot. (c) Mail/Internet/FAX/Website Bidders. A successful mail bidder will be notified of lots purchased. Before Kelleher will send such lots, payment in full must be received by Kelleher within three (3) business days of receipt of the aforesaid notification by the mail bidder. However, a purchaser known to Kelleher at its option may have purchases delivered or forwarded for immediate payment (by a dollar draft, ACH or wire transfer from a U.S. bank in the case of overseas purchasers). Mailed delivery will be to the address on the bid sheet and proof by Kelleher of receipt of a sending at the advised address shall constitute delivery. This includes disputes for payments made via PayPal and/or credit card. Buyer acknowledges that he/she waives their right to file a dispute in such cases with PayPal or their Credit Card Company. All charges for handling, delivery and insurance obtained by Kelleher on behalf of the purchaser shall be added to the purchase price; a minimum charge of \$20.00 will be made for same.

5. Title shall not pass to the purchaser until full payment has been received by Kelleher as agents for the consignor or vendor.

6. (a) Purchasers agree to pay for lots as specified in Condition of Sale 4 (or as the same may be modified by Condition of Sale 8), and no credit is extended; a late payment charge of 2% per month or fraction thereof shall be added if payment is not made in accordance with the aforesaid conditions. (b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Kelleher, may, in its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty sale at such time as Kelleher Auctions, in its sole discretion, deems appropriate and the Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser, whether at auction or by private treaty, as well as for all costs and expenses of both sales, including all other charges due thereunder, including commissions with respect to both sales, whether payable to Kelleher or to a third party and all incidental damages. It shall be in Kelleher's sole discretion to determine whether to re-offer the lot theretofore hammered-down to a Non-Complying Bidder at the same auction, or by private treaty in due course, or at a subsequent auction conducted by Kelleher. In no event shall any surplus arising from the sale of a re-offered lot be payable to a Non-Complying Bidder. (c) A defaulting purchaser shall be deemed to have granted Kelleher a security interest in property in Kelleher's possession owned by such purchaser. Kelleher shall have all of the rights afforded a purchase money secured party under the Connecticut Uniform Commercial Code (UCC) with respect to such property and may apply against such obligations all monies held or received by it for the account of, or due from Kelleher to such purchaser. Kelleher is authorized to file a Financing Statement in order to perfect its rights as a secured party. (d) If Kelleher takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Kelleher to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. For purposes of this paragraph, the term legal steps shall be deemed to include any and all consultation by Kelleher with its attorneys with respect to all matters arising out of a delinquent account. (e) Unless otherwise acceptable to Kelleher, payment is to be made only in the form of cash, bank check or certified check, personal check (which must clear prior to delivery of lots), credit card (AMEX, Visa, MasterCard and Discover), PayPal or a bank ACH or wire transfer. Payments made by credit card are accepted as a courtesy without surcharge.

Any lot which a purchaser considers to be incorrectly described and was not examined by the bidder or his agent prior to the sale, may be returned to Kelleher within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same is received by Kelleher within four weeks of the date of the auction and in its original packaging; however, Kelleher may, in its discretion, refuse acceptance of such returned lot. If an opinion of a mutually acceptable authority is desired (Extension), the period of time within which a lot must be received by Kelleher will be extended in accordance with Condition of Sale 7(g). In the event that a dispute cannot be resolved by reference to a mutually acceptable authority, and Kelleher thereupon undertakes to re-offer the lot with a description identical to the description disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the re-sale, including commission, and all incidental damages. (e) Expenses incurred by a purchaser in the submission and the return of a lot under Conditions of Sale 7 is not subject to refund. (f) Numerical grading is subjective and is based upon the condition of each issue. Lots may not be returned if a third party grades a stamp at lower than our grade.
