Grading and Condition

Superb	Extraordinary item in the finest condition.
Extremely Fine (XF)	A stamp or cover of outstanding and exceptional quality.
Very Fine (VF)	Scott Catalog's standard. Stamps will present a nice, balanced appearance. Covers appear new or show only minimal wear.
Fine-Very Fine (F-VF)	Stamp and/or covers are sound. Stamps are fully margined but noticeably off-center. Covers show normal travel wear.
Fine (F)	Sound in all aspects. Perforated stamps will have the perforations clear of the design; imperforate stamps will not be cut into to any significant degree. Covers show extensive wear.
Very Good (VG)	Stamps with imperfect centering, stamps or covers with poor general appearance.

Covers

Minor imperfections are normal for 19th-century envelopes that have been postally transmitted. These include, but are not limited to, nicks, edge or flap tears, or slight reductions; folded letters will often have at least one file fold. Further, covers may have an ordinary stamp with a minor defect. Acceptable forms of conservation include light cleaning and edge mending. These conditions, even if not described, are not grounds for return.

Catalog Values

Unless otherwise noted, the currently available (2024 edition) Scott Catalogue values are quoted in U.S. dollars and rounded to the nearest dollar. Other catalogues are often used for foreign countries or specialized areas as required.

Collection Lots

Please note that **all** collection lots are sold on an "as-is" basis and therefore **not returnable for any reason**. Every attempt has been made to provide an accurate description, and extensive imaging is available on our website. Most collection lots will contain stamps and/or covers with varying imperfections or faults. We strongly suggest that all lots of interest be viewed in advance of the sale.

Please note that late payment for purchases may, at Daniel F. Kelleher's option, be considered just cause to revoke all return privileges.

Featured Biographies

Carter R. Gilbert

Carter's lifelong passion for stamp collecting began at the age of five when a church minister awarded him a postage stamp for good behavior. This hobby endured throughout his life, culminating in a collection spanning over nine decades. Notably, he was a founding member of the University Stamp Club in Gainesville, Florida. Alongside his academic pursuits as a retired professor of ichthyology and former Curator of Fishes at the Natural History Museum at the University of Florida, Carter's collection boasted stamps from diverse corners of the globe, with a focus on US and British Colonials.

David Bays

My United States collection began 60 years ago in Kansas City. We were poor. And collecting anything seemed to help. Dad was busy chasing tanks in Patton's Europe. He received 29 dollars a month digging fox holes and towing howitzers near 1944 Malmedy, Belgium. Yes, we were poor. Collecting stamps as a scout took our minds away from post-war Europe. The nice thing was that you could put it aside and pick it up years later.

Dad finally came home. I continued to buy Columbians and got better at collecting great quality stamps. The quality got better as my income improved.

I became successful selling doors to the construction industry for the next 40 years. My love of collecting stamps stayed constant through this time.

Becoming past president of the Philatelic society of Kansas City allowed me to continue a life-time of collecting.

Hans-Jürgen Hess

Hans-Jürgen Hess was born in Germany in 1930. After receiving his Ph.D. in organic chemistry from the Technical University Braunschweig, Germany, in 1957, he came to the United States to complete two years of postdoctoral work before joining the pharmaceutical company, Pfizer. Hans was Vice President of Medical Products Research at Pfizer Central Research in Groton, CT, where he worked for 36 years.

Hans started at Pfizer as a research chemist and led Pfizer's Medicinal Chemistry drug discovery efforts in the United States for many years. He also led the Pfizer Drug Discovery Research organization in Japan for more than 10 years. He was named inventor or co-inventor on more than 100 issued U.S. patents and is the inventor of Minipress, a drug used for lowering blood pressure. Among other professional activities, he was Editor-in-Chief of Annual Reports in Medicinal Chemistry Research, a premier reference publication of the American Chemical Society. In 2011, he was inducted into the American Chemical Society's Medicinal Chemistry Hall of Fame. Following his retirement from Pfizer in 1996, he remained active in the sciences and served on scientific advisory boards and as a consultant to a number of biotechnology and biopharmaceutical companies.

Outside of his scientific work, Hans had many interests. As a student in Germany, he was an accomplished track and field runner, winning awards in regional and national competitions. Later in life, he enjoyed skiing and playing tennis and he was a world traveler and wine enthusiast. He was also an avid fisherman and would spend many weekends fishing on Long Island Sound or past Montauk Point, in search of tuna. Hans resided in Old Lyme, CT, where he loved hosting family from Germany or his children and grandchildren, which were his pride and joy. Hans became interested in stamps in the late 1940s, when he began collecting postage stamps from what was then Persia. Later, he focused on stamps from the German colonies and those relating to the flights of the Zeppelin. He immersed himself in research and spent many hours seeking out excellent examples to fill his collection. Hans also enjoyed collecting U.S. stamps, including commemoratives and U.S. mint sheets.

Gary A. Kosvic

Gary was born and raised in Elizabeth, NJ and lived in New London, CT for most of his life. After graduating from NJIT, he began working at Electric Boat (now General Dynamics), as an engineer, with a large portion of his career focused on the Seawolf class nuclear submarines.

Gary's interest in stamp collecting began as a young boy, and he started focusing on his current collection in the early 1970's. Gary's passion for stamps grew as his collection grew. His focus was on USA stamps, as he had a passion for American History.

Gary's was also keenly interested in his family's Croatian heritage and began devoting a significant focus on stamps from Croatia and the Balkans. His eclectic collection also included stamps from the postal history of the occupation of these countries during WW2, which were some of his personal favorites in his collection.

Throughout the years, he kept expanding his taste, amassing a large collection of stamps from the county of Bhutan, which he also loved, as well as finding rare worldwide stamps of submarines, which he had spent his professional career designing.

Gary had a keen mind and was able to remember each stamp purchase and loved telling stories about all the unique and interesting stamps he had amassed for his collection. Over the years he collected, he became friends with many of the dealers he worked with and loved corresponding with other philatelists worldwide.

HINDENBURG DISASTER**EX 1131****1131**

1937 (May 7) Grenko Hindenburg Crash Mail, the airship *Hindenburg* was landing at Lakehurst NJ with passengers and 17,500 pieces of mail when it caught fire and burst into flames; as one of only 384 pieces that could be identified, this Registered letter was one of two sent by Niedermann mailed in Munich to D Grenko; the address was lost due to fire damage so this Munich Telegraph Office registry label #570 was returned to Frankfurt by ship; the letter was mailed April 29th with a 2RM Airmail adhesive (Germany #C55) which was lost during efforts to extinguish the blaze, its sister envelope mailed the following day suffered comparable damage but retained the stamp; due to the fragile nature of the crash mail, it was returned to Germany in a cellophane “ambulance” envelope and sealed with a Scott #OX21 Post Office Seal; written up and illustrated in *LZ-129 Hindenburg Zeppelin Crash Mail* by Dieter Leder, is accompanied by one of the earliest certificates (Alexander Berezowski) in October 1937; less than half of the mail recovered has been documented; world class rarity, a Very Fine example of Hindenburg Crash Mail, Berezowski. EX 1270

1925, Proofs of the Rivadavia Stamps of the Argentine Republic (Scott 8-10), plate proofs in black of the 1864 5c (Plate C), 10c (Plate B) and 15c (Plate B) values (#8-10) from the original plates in the collection of Alfred F. Liechtenstein, printed by Perkins, Bacon & Co. Ltd.; plate impressions measure approximately 9¾ x 12 inches, on sheets approximately 9¾ x 13 inches. Each proof with onionskin protective sheet (now toned, the proofs unaffected); with three-page introduction by F.J. Peplow and census of proofs taken; text pages uncut, blue portfolio cover separated along spine with top right corner missing and fore-edge tears or chips, still Very Fine and rare. Estimate \$1,200 - 1,600

Purchased in 1923 by Liechtenstein from the estate of Estaban Latour, the plates were covered with preservative wax (used to protect steeled copper plates when not in use) and wrapped in oil paper. The plates were de-steeled, revealing perfect copper beneath, which was then re-steeled and printed on Imperial "loan" hand-made wove paper produced by T.H. Saunders & Co., Ltd., in an edition of 50, of which 35 were for sale.

This set is #11, with signed manuscript dedication "to his very good friend John Luff, Alfred F. Liechtenstein".

Canton de la Isle de Negros

Philippine Republic

"Canton de la Isle de Negros" was the designation given to the local postal system established in November 1898. Stamps were printed locally. When Republic issues were available, they were overprinted for use by the local postal system and replaced the Canton Negros stamps.

COMMERCIAL MAIL STAMPS ISSUED NOVEMBER 12, 1898

Fewer than 5 sets of the Canton Government stamps are known. American troops under Colonel James Smith confiscated and burned any postal material that remained in the Negros Island post offices on March 4, 1899.

Aguinaldo, 1897 for general government use issued by Philippine Republic overprinted "Cuartel General", republic stamps overprinted "VISAYAS", "CEBU 1898", "CAVITE 1898" or "BACOLOD NEGROS" for local use in cantons of the Philippine Republic; 1P, 2P and 10P issued without control; 1898 10c, 20c, 50c issued on Cebu with "CEBU/ C.R. 1898" control, finally a set of 2c-50c with "OFICIAL" overprints for use by the Aguinaldo Revolutionary Army officers, Fine to Very Fine, Initially, persons in possession of these stamps were subject to execution by Spanish authorities and most of the stamps were burned or destroyed and there are no genuine covers franked with these provisionals known. Also unknown is how many different stamps were issued, the quantities printed or the survival rate, In the Philippines, a group of islands, the separate insurgent activities evolved and developed at different rates. Collaborations and alliances between the groups based on the needs and goals of the various groups. These local issues served as a form of unification of various groups in the Canton de la Isle de Negros and the formation of a common postal system was a welcome development. CONDITIONS OF SALE - Public Auction

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE CONDITIONS OF SALE BETWEEN BIDDER AND DANIEL F. KELLEHER AUCTIONS, LLC ("KELLEHER")

BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed Catalogue. Kelleher, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Kelleher reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith. Estimates of sales prices contained in the printed Catalogue reflect the best judgment of Kelleher and are not minimum or upset prices.

2. (a) Bids shall be made in the steps set forth on the bidding page for increments. (b) The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders (including a dispute between a floor or internet bidder and the auctioneer acting on behalf of a mail bidder, consignor or vendor, the auctioneer alone shall determine who the successful bidder is and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive. On all lots sold, a commission of 20% * on the hammer price is payable by the buyer to the auctioneer together with any sales and use tax or customs duties. (c) Lots may be re-opened as necessary to accommodate connectivity issues or incorrect bids.

3. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer.

(b) Lots are offered subject to a reserve price. The auctioneer will implement such reserve price by bidding on behalf of the consignor/ vendor. (c) It may also be assumed that all consignors have been advanced monies against the sale of their consigned material and Kelleher therefore has a security interest in the consigned material over and above the normal auction commission.

(d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable.

(e) Agents are responsible for the payment of the purchase price for all purchases made on behalf of their clients, unless other arrangements with the auctioneer have been confirmed in writing prior to the auction.

PAYMENT FOR PURCHASES

4. (a) Payment for lots, including those on which opinions are desired (Extensions), shall be as follows:

(b) Floor Bidders. Payment of the purchase price, or such part thereof as Kelleher shall require, shall be made by the purchaser in cash, bank or certified check, credit card, PayPal or in such other manner as Kelleher may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot.

(c) Mail/Internet/FAX/Website Bidders. A successful mail bidder will be notified of lots purchased. Before Kelleher will send such lots, payment in full must be received by Kelleher within three (3) business days of receipt of the aforesaid notification by the mail bidder. However, a purchaser known to Kelleher at its option may have purchases delivered or forwarded for immediate payment (by a dollar draft, ACH or wire transfer from a U.S. bank in the case of overseas purchasers). Mailed delivery will be to the address on the bid sheet and proof by Kelleher of receipt of a sending at the advised address shall constitute delivery. This includes disputes for payments made via PayPal and/or credit card. Buyer acknowledges that he/she waives their right to file a dispute in such cases with PayPal or their Credit Card Company. All charges for handling, delivery and insurance obtained by Kelleher on behalf of the purchaser shall be added to the purchase price; a minimum charge of \$20.00 will be made for same.

5. Title shall not pass to the purchaser until full payment has been received by Kelleher as agents for the consignor or vendor.

6. (a) Purchasers agree to pay for lots as specified in Condition of Sale 4 (or as the same may be modified by Condition of Sale 8), and no credit is extended; a late payment charge of 2% per month or fraction thereof shall be added if payment is not made in accordance with the aforesaid conditions.

(b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Kelleher, may, in its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty sale at such time as Kelleher Auctions, in its sole discretion, deems appropriate and the Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser, whether at auction or by private treaty, as well as for all costs and expenses of both sales, including all other charges due thereunder, including commissions with respect to both sales, whether payable to Kelleher or to a third party and all incidental damages. It shall be in Kelleher's sole discretion to determine whether to re-offer the lot theretofore hammered-down to a Non-Complying Bidder at the same auction, or by private treaty in due course, or at a subsequent auction conducted by Kelleher. In no event shall any surplus arising from the sale of a re-offered lot be payable to a Non-Complying Bidder.

(c) A defaulting purchaser shall be deemed to have granted Kelleher a security interest in property in Kelleher's possession owned by such purchaser. Kelleher shall have all of the rights afforded a purchase money secured party under the Connecticut Uniform Commercial Code (UCC) with respect to such property and may apply against such obligations all monies held or received by it for the account of, or due from Kelleher to such purchaser. Kelleher is authorized to file a Financing Statement in order to perfect its rights as a secured party.

(d) If Kelleher takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Kelleher to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. For purposes of this paragraph, the term legal steps shall be deemed to include any and all consultation by Kelleher with its attorneys with respect to all matters arising out of a delinquent account.

(e) Unless otherwise acceptable to Kelleher, payment is to be made only in the form of cash, bank check or certified check, personal check (which must clear prior to delivery of lots), credit card (AMEX, Visa, MasterCard and Discover), PayPal or a bank ACH or wire transfer. Payments made by credit card are accepted as a courtesy without surcharge.
