## Grading and Condition

<b>Superb</b>	Extraordinary item in the finest condition.
<b>Extremely Fine (XF)</b>	A stamp or cover of outstanding and exceptional quality.
<b>Very Fine (VF)</b>	Scott Catalog's standard. Stamps will present a nice, balanced appearance. Covers appear new or show only minimal wear.
<b>Fine-Very Fine (F-VF)</b>	Stamp and/or covers are sound. Stamps are fully margined but noticeably off-center. Covers show normal travel wear.
<b>Fine (F)</b>	Sound in all aspects. Perforated stamps will have the perforations clear of the design; imperforate stamps will not be cut into to any significant degree. Covers show extensive wear.
<b>Very Good (VG)</b>	Stamps with imperfect centering, stamps or covers with poor general appearance.

### Covers

Minor imperfections are normal for 19th-century envelopes that have been postally transmitted. These include, but are not limited to, nicks, edge or flap tears, or slight reductions; folded letters will often have at least one file fold. Further, covers may have an ordinary stamp with a minor defect. Acceptable forms of conservation include light cleaning and edge mending. These conditions, even if not described, are not grounds for return.

### Catalog Values

Unless otherwise noted, the currently available (2025 edition) Scott Catalogue values are quoted in U.S. dollars and rounded to the nearest dollar. Other catalogues are often used for foreign countries or specialized areas as required.

### Collection Lots

Please note that **all** collection lots are sold on an "as-is" basis and therefore **not returnable for any reason**. Every attempt has been made to provide an accurate description, and extensive imaging is available on our website. Most collection lots will contain stamps and/or covers with varying imperfections or faults. We strongly suggest that all lots of interest be viewed in advance of the sale.

*Please note that late payment for purchases may, at Daniel F. Kelleher's option, be considered just cause to revoke all return privileges.*

## Featured Biography

### David L. Friedland

David Friedland was the son of a wine and spirits retailer from the South side of Chicago, Illinois. He graduated from Roosevelt University in 1955 and was in the U.S. Naval Air Reserve from 1951-1955. He started working in the beverage industry in 1955 with Joseph E. Seagram & Sons in New York. A year later he returned to Chicago to work for Browne Vintners, the Seagram Import Company, and then Munson Shaw a division of the Beam Import Co.

David met his wife, Nancy in his hometown of Chicago and they got married in 1962. At age 29, he moved with her to Nebraska to work at United Distillers Products Company, a business started by Nancy's grandparents in 1893. David was responsible for the growth and expansion of United which under his leadership became the top beverage alcohol distributor in the state of Nebraska. He led the company until his death in 2008.

David was an avid reader, a quiet philanthropist and lover of history. In his early 30's he developed a deep appreciation for philately. He was a Life Member of the American Philatelic Society since 1964. His interests were General US, Booklets and Panes, Coils, Locals and Carriers, Match and Medicine and Federal Revenues and Tax Paid. David found joy in the stories that each stamp holds.

Type III is defined by breaks in the outer lines at both top and bottom produced by plate wear, with most having one line only slightly broken. This example offers incredibly wide breaks (nearing those of position 99R2), the margins and light cancel allowing for easy Type identification. Easily one of the finest extant, and a centerpiece for the finest of collections.

### UNUSED 4¢ PAN-AMERICAN INVERT (SCOTT #296a)

2768

2768 (★)

**1901, 4¢ Pan-American, center inverted (Scott 296a)**, unused without gum, on bright paper with clean impressions; top perforations trimmed, faults and small repairs, Fine appearance, with 2015 P.S.E. certificate. Scott \$80,000.  
Estimate \$10,000 - 15,000

The 4¢ Pan-American Invert was not regularly issued. According to Sloane, the Post Office Department received an erroneous report that this invert had been discovered; while none was found, two sheets of inverts (400 stamps total) were deliberately printed. Examples were distributed through two official channels. One sheet was overprinted with "Specimen". A total of 106 copies, both with and without "Specimen", were distributed to friends and dignitaries. One pane of 100 was retained by the Post Office Department and stuck down on a ledger page in their archives. This sheet was broken up about 1916 or 1917, and 97 copies were traded for material needed for the government collection. Since most stamps available were removed from the mounting paper, they are generally thinned or have seriously disturbed gum.

According to Johl, these first government coils were an experiment, with regular sheets of 400 printed and perforated in only one direction. They were then cut into strips of 20, the strips then pasted together to form rolls. Collectors and dealers at the time were largely unaware of their existence. Superseded less than a year later by the Washington-Franklin coils, it is unknown how many of these Second Bureau coils were produced. For #318, probably fewer than six strips of four

According to Johl (Volume 1, page 181), only 10,000 were issued, specially made for a New York firm to send out advertising samples, similar to the 3¢ Orangeburg coil. Only a few rolls were sold to the firm; the remaining rolls were distributed to some of the large post offices across the country. While dealers acquired several rolls, most contemporary collectors did not collect coils, so many were used and destroyed.

The 2¢ Harding Rotary Perf 11 stamp was discovered in 1938. Scott notes “No. 613 was produced from rotary press sheet waste.” In *United States Stamps 1922-26*, Gary Griffith hypothesizes that rotary-printed sheets of 400 were first reduced to panes of 100 and then fed through the 11-gauge perforating machine normally used for flat plate sheets. According to a recent census, only 48 stamps of this issue are known, 18 of which are faulty. **This stamp is just the 49th example known of this rare issue.**

### The "Great Locomotive Chase" Cover

A Corner Card Cover from the Scene of the Civil War's Most Exciting Raid

Under the United States spy Major James J. Andrews, 23 Union soldiers infiltrated Confederate Georgia and, at Big Shanty, Ga. on April 12, 1862, stole a steam engine called *The General*. Racing north, they cut telegraph lines and ripped up track hoping to give Union forces unimpeded ability to invade Chattanooga, Tenn. "The Great Locomotive Chase" ensued as the original conductor of the locomotive they stole, using another engine, the *Texas*, finally ran them to ground.

October 1863 Embossed Cameo Corner Card From  
The Hotel Where the Andrews Raiders Stayed the Night Before Their Raid  
The Marietta, Ga., cancel ties Confederate States of America 10-cent stamp  
to cover to Montgomery, Alabama.

Twenty-one of the Andrews Raiders spent the night of April 11 at **Dix Fletcher's Fletcher House** in Marietta, Ga. Early the next morning they met in James Andrews' room and proceeded to the depot next door. Boarding a train, they commandeered it a few minutes later in Big Shanty.

Walt Disney told the story in 1956 in the motion picture starring Fess Parker as Major Andrews.

The General today—on display in Marietta, Ga.

The Fletcher House became the Kennesaw House in 1866.

On July 3, 1864, Union General William T. Sherman established his headquarters at the Fletcher House shortly before he invaded Atlanta, which would fall to his forces early in September.

3503

**3503** 1863, 10¢ blue, Die B (Scott 12), large margins at sides, close at top and bottom, tied by well struck "Marietta Geo. Oct. 14" circular datestamp on cover with beautiful green embossed cameo at top left for the "Fletcher House at Railroad Depot Marietta Geo, Dix Fletcher Proprietor" addressed to his daughter Eliza at the Cottage Hill Seminary in Montgomery Ala. tiny edge flaws of no consequence to this gorgeous cover that was Randy Neil's favorite; he couldn't part with it when we sold his Confederate States collection 2 years ago, Very Fine, ex Randy Neil. Estimate \$750 - 1,000

Dix Fletcher purchased the warehouse in 1855, and after remodeling it, opened the Fletcher House Hotel in its place. During the early years of the Civil War, the hotel was used as a Confederate hospital and a morgue. In addition, Andrews' Raiders stayed in a second floor room on the evening prior to their theft of the steam engine, "The General." As the war was nearing its end in July of 1864, the Union Army took over the building, and when General Sherman came through town on his "March to the Sea," he did not burn the Fletcher House. Sherman spared the hotel because Dix Fletcher was a Mason and because his son-in-law, Henry Cole, was a Yankee spy. However, the fourth floor did catch fire as ashes from other burning buildings blew onto the roof, and the fourth floor was not rebuilt. After repairs to the Fletcher House were completed in 1867, Dix Fletcher reopened the hotel, and renamed it the Kennesaw House. The Kennesaw House remained a hotel until the 1920s, when the first floor was converted to retail shops, leaving the hotel on the second and third floors. In 1979, the building was gutted, and converted into an office complex. Various businesses and restaurants occupied the building for the next 14 years, until the Downtown Marietta Georgia Development Authority purchased the building. Then, under the direction of Marietta City Councilman Dan Cox, the second and third floors were completely renovated to house the Marietta Museum of History on the second floor and offices on the third. Today it occupies the entire building and beautifully maintains the structure.

# CONDITIONS OF SALE - Public Auction

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE CONDITIONS OF SALE BETWEEN BIDDER AND DANIEL F. KELLEHER AUCTIONS, LLC ("KELLEHER")

## BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed Catalogue. Kelleher, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Kelleher reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith. Estimates of sales prices contained in the printed Catalogue reflect the best judgment of Kelleher and are not minimum or upset prices.

2. (a) Bids shall be made in the steps set forth on the bidding page for increments. (b) The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders (including a dispute between a floor or internet bidder and the auctioneer acting on behalf of a mail bidder, consignor or vendor, the auctioneer alone shall determine who the successful bidder is and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive. On all lots sold, a commission of 20% \* on the hammer price is payable by the buyer to the auctioneer together with any sales and use tax or customs duties. (c) Lots may be re-opened as necessary to accommodate connectivity issues or incorrect bids.

3. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer.

(b) Lots are offered subject to a reserve price. The auctioneer will implement such reserve price by bidding on behalf of the consignor/ vendor. (c) It may also be assumed that all consignors have been advanced monies against the sale of their consigned material and Kelleher therefore has a security interest in the consigned material over and above the normal auction commission.

(d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable.

(e) Agents are responsible for the payment of the purchase price for all purchases made on behalf of their clients, unless other arrangements with the auctioneer have been confirmed in writing prior to the auction.

## PAYMENT FOR PURCHASES

4. (a) Payment for lots, including those on which opinions are desired (Extensions), shall be as follows:

(b) Floor Bidders. Payment of the purchase price, or such part thereof as Kelleher shall require, shall be made by the purchaser in cash, bank or certified check, credit card, PayPal or in such other manner as Kelleher may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot.

(c) Mail/Internet/FAX/Website Bidders. A successful mail bidder will be notified of lots purchased. Before Kelleher will send such lots, payment in full must be received by Kelleher within three (3) business days of receipt of the aforesaid notification by the mail bidder. However, a purchaser known to Kelleher at its option may have purchases delivered or forwarded for immediate payment (by a dollar draft, ACH or wire transfer from a U.S. bank in the case of overseas purchasers). Mailed delivery will be to the address on the bid sheet and proof by Kelleher of receipt of a sending at the advised address shall constitute delivery. This includes disputes for payments made via PayPal and/or credit card. Buyer acknowledges that he/she waives their right to file a dispute in such cases with PayPal or their Credit Card Company. All charges for handling, delivery and insurance obtained by Kelleher on behalf of the purchaser shall be added to the purchase price; a minimum charge of \$20.00 will be made for same.

5. Title shall not pass to the purchaser until full payment has been received by Kelleher as agents for the consignor or vendor.

6. (a) Purchasers agree to pay for lots as specified in Condition of Sale 4 (or as the same may be modified by Condition of Sale 8), and no credit is extended; a late payment charge of 2% per month or fraction thereof shall be added if payment is not made in accordance with the aforesaid conditions.

(b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Kelleher, may, in its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty sale at such time as Kelleher Auctions, in its sole discretion, deems appropriate and the Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser, whether at auction or by private treaty, as well as for all costs and expenses of both sales, including all other charges due thereunder, including commissions with respect to both sales, whether payable to Kelleher or to a third party and all incidental damages. It shall be in Kelleher's sole discretion to determine whether to re-offer the lot theretofore hammered-down to a Non-Complying Bidder at the same auction, or by private treaty in due course, or at a subsequent auction conducted by Kelleher. In no event shall any surplus arising from the sale of a re-offered lot be payable to a Non-Complying Bidder.

(c) A defaulting purchaser shall be deemed to have granted Kelleher a security interest in property in Kelleher's possession owned by such purchaser. Kelleher shall have all of the rights afforded a purchase money secured party under the Connecticut Uniform Commercial Code (UCC) with respect to such property and may apply against such obligations all monies held or received by it for the account of, or due from Kelleher to such purchaser. Kelleher is authorized to file a Financing Statement in order to perfect its rights as a secured party.

(d) If Kelleher takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Kelleher to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. For purposes of this paragraph, the term legal steps shall be deemed to include any and all consultation by Kelleher with its attorneys with respect to all matters arising out of a delinquent account.

(e) Unless otherwise acceptable to Kelleher, payment is to be made only in the form of cash, bank check or certified check, personal check (which must clear prior to delivery of lots), credit card (AMEX, Visa, MasterCard and Discover), PayPal or a bank ACH or wire transfer. Payments made by credit card are accepted as a courtesy without surcharge.

## EXHIBITION AND INSPECTION OF LOTS; QUALITY AND AUTHENTICITY

7. (a) See viewing schedule for on-premises viewing and please note that we are a certified State of CT, COVID-19 compliant business. As the guidance and rules change, please refer to the CT.GOV

or CDC.GOV websites. Ample opportunity is given for on premises inspection prior to the auction date, by appointment only, and upon written request and at Kelleher's discretion. Live video viewing is also available, please contact our offices to arrange same, at least one week prior to the sale date.

(b) Each lot is sold as genuine and correctly described, based on individual description as modified by any specific notations in this Catalogue or as announced at the time of sale.

(c) Quality. Any lot which a purchaser considers to be incorrectly described and was not examined by the bidder or his agent prior to the sale, may be returned to Kelleher within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same is received by Kelleher within four weeks of the date of the auction and in its original packaging; however, Kelleher may, in its discretion, refuse acceptance of such returned lot. If an opinion of a mutually acceptable authority is desired (Extension), the period of time within which a lot must be received by Kelleher will be extended in accordance with Condition of Sale 7(g). In the event that a dispute cannot be resolved by reference to a mutually acceptable authority, and Kelleher thereupon undertakes to re-offer the lot with a description identical to the description disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the re-sale, including commission, and all incidental damages. Any lot, the description of which is disputed, must be returned intact and in the original packaging and in the condition received (unaltered) by the purchaser. The following lots are not returnable except at the discretion of Kelleher: (i) lots from purchasers who attended the exhibition of the lots; (ii) lots examined by postal viewers; (iii) lots on account of their appearance, if they are illustrated in this Catalogue or online; (iv) lots described as having repairs, defects or faults for any reason. (v) lots containing more than ten (10) items. (d) Authenticity. Any lot which is declared other than genuine by a mutually recognized authority is returnable, provided such lot is received by Kelleher within four weeks of the date of the auction. Proof that a mutually acceptable authority declines to express an opinion is not grounds for the return of a lot. (e) Expenses incurred by a purchaser in the submission and the return of a lot under Conditions of Sale 7 is not subject to refund. (f) Numerical grading is subjective and is based upon the condition of each issue. Lots may not be returned if a third party grades a stamp at lower than our grade.
