Featured Collection

“Tiffany Estate”

Of all the many hundreds of worldwide collections that we have sold over many decades the Tiffany Estate , in both quality and scope, is one at the top of our list. The collector had a passion for the finest condition stamp possible and usually it had to be never hinged if available. Fortunately he had the funds to indulge that passion. This auction has 85 Tiffany collections that clearly exhibit just how successful he was in accomplishing his goal. Normally key singles and sets would be taken out of the collections for individual lot sales. However we have been asked to sell this this collection with the best stamps remaining in each of the 85 lots with values from hundreds of dollars to as much as \$7500 each. This is a rare opportunity for both collectors and dealers to augment your collection or inventory with stamps of the highest quality that are always in demand. However, instead of more verbiage, please check these Ex-Tiffany lots out in-person or the many scans we have prepared to fully appreciate what we are describing to you.

Tropical Stamp & Coin Store at Auction

Legendary stamp dealer Mitch Kopkin consigns his 55-year holdings —started by his father Stanley Kopkin—to Kelleher Auctions.

Proprietor of Tropical Stamp & Coin, Inc., Kopkin commented, “Kelleher is the only firm I could trust to bring my lifetime holding to auction sale.”

The holding includes over 800 cartons of material—several hundred of which comprise sports cards, memorabilia, coins, and banknotes.

David Coogle, Co-Chairman of Kelleher Auctions stated, “This consignment further extends Kelleher’s reach into other collectible spaces, securing its future in the collectibles marketplace.”

Celebrating its 140th year of continuous Philatelic Auctions, Kelleher is now a trusted Auctioneer offering boutique white glove services in Coins, Banknotes, Sports Cards, Memorabilia & Autographs.

- 3004 Comprehensive, Mint & Used, Multi-Generational Collection with Many Extras, 1847-1977,** One gigantic Scott National with a collection to make you hoot and holler. Not only is this collection boasting a high degree of filled spaces, missing very little from the first page, it is also partly doubled with used mounted on the opposite page. In addition to the standard catalogue numbers, you'll find many additional examples with fancy cancels, many proofs, and solid back-of-the-book including revenues. We could fill up the next two pages with catalogue numbers of the best stamps, but as the saying goes, a picture is worth a thousand words; note that items were placed in their spaces to fill the book, not necessarily correctly placed, and the buyers were more "fill er up" than selective when it came to quality, one should note that the images will provide a glimpse to the massive value, but a personal in-person review will definitely unlock the true value here, you can view it in its entirety (to about 1940) by following the link below, sold intact as received by the estate, condition highly variable and placements, still some with Fine to Very Fine appearance or better, quite useful. (photo on web site)..... Estimate \$15,000 - 20,000

CONDITIONS OF SALE - Public Auction

THE PLACING OF A BID SHALL CONSTITUTE ACCEPTANCE OF THESE CONDITIONS OF SALE BETWEEN BIDDER AND DANIEL F. KELLEHER AUCTIONS, LLC ("KELLEHER")

BIDDING

1. Unless announced otherwise by the auctioneer, all bids are per lot, as numbered in the printed Catalogue. Kelleher, as agent for the consignor or vendor, shall regulate the bidding and shall determine the manner in which the bidding shall be conducted. Kelleher reserves the right to withdraw any lot prior to sale (without liability to any potential purchaser or agent), to re-offer any withdrawn lot, to divide a lot or to group two or more lots belonging to the same consignor or vendor, and to refuse any bid believed not made in good faith. Estimates of sales prices contained in the printed Catalogue reflect the best judgment of Kelleher and are not minimum or upset prices.
2. (a) Bids shall be made in the steps set forth on the bidding page for increments. (b) The highest bid acknowledged by the auctioneer shall prevail. Should a dispute arise between bidders (including a dispute between a floor or internet bidder and the auctioneer acting on behalf of a mail bidder, consignor or vendor, the auctioneer alone shall determine who the successful bidder is and whether to reoffer the lot in dispute. Should a dispute arise after the sale, the auctioneer's sale records shall be conclusive. On all lots sold, a commission of 20% * on the hammer price is payable by the buyer to the auctioneer together with any sales and use tax or customs duties. (c) Lots may be re-opened as necessary to accommodate connectivity issues or incorrect bids.
3. (a) The auctioneer reserves the right to bid on behalf of clients (and consignors or vendors) but shall not be liable for errors and omissions in executing instructions to bid, however received, and whether such errors or omissions be those of the bidder or agent or those of the auctioneer. (b) Lots are offered subject to a reserve price. The auctioneer will implement such reserve price by bidding on behalf of the consignor/vendor. (c) It may also be assumed that all consignors have been advanced monies against the sale of their consigned material and Kelleher therefore has a security interest in the consigned material over and above the normal auction commission.
- (d) Purchases made by a consignor or vendor or his agent on his own lots shall be considered as a sale subject to commissions and sales tax as applicable.
- (e) Agents are responsible for the payment of the purchase price for all purchases made on behalf of their clients, unless other arrangements with the auctioneer have been confirmed in writing prior to the auction.

PAYMENT FOR PURCHASES

4. (a) Payment for lots, including those on which opinions are desired (Extensions), shall be as follows:
 - (b) Floor Bidders. Payment of the purchase price, or such part thereof as Kelleher shall require, shall be made by the purchaser in cash, bank or certified check, credit card, PayPal or in such other manner as Kelleher may determine. The name and address of the purchaser of each lot shall be given to the auctioneer immediately following the sale of such lot.
 - (c) Mail/Internet/FAX/Website Bidders. A successful mail bidder will be notified of lots purchased. Before Kelleher will send such lots, payment in full must be received by Kelleher within three (3) business days of receipt of the aforesaid notification by the mail bidder. However, a purchaser known to Kelleher at his option may have purchases delivered or forwarded for immediate payment (by a dollar draft, ACH or wire transfer from a U.S. bank in the case of overseas purchasers). Mailed delivery will be to the address on the bid sheet and proof by Kelleher of receipt of a sending at the advised address shall constitute delivery. This includes disputes for payments made via PayPal and/or credit card. Buyer acknowledges that he/she waives their right to file a dispute in such cases with PayPal or their Credit Card Company. All charges for handling, delivery and insurance obtained by Kelleher on behalf of the purchaser shall be added to the purchase price; a minimum charge of \$20.00 will be made for same.
5. Title shall not pass to the purchaser until full payment has been received by Kelleher as agents for the consignor or vendor.
6. (a) Purchasers agree to pay for lots as specified in Condition of Sale 4 (or as the same may be modified by Condition of Sale 8), and no credit is extended; a late payment charge of 2% per month or fraction thereof shall be added if payment is not made in accordance with the aforesaid conditions.
- (b) In the event that a bidder shall fail to comply with these Conditions of Sale ("Non-Complying Bidder"), then, as to any lot with respect to which such failure to comply occurs, Kelleher, may, in its sole discretion, re-offer such lot during the same auction or at an auction at a later time, or by private treaty sale at such time as Kelleher Auctions, in its sole discretion, deems appropriate and the Non-Complying Bidder shall be liable for the deficiency, if any, between the hammer price and the net proceeds of a sale to a subsequent purchaser, whether at auction or by private treaty, as well as for all costs and expenses of both sales, including all other charges due thereunder, including commissions with respect to both sales, whether payable to Kelleher or to a third party and all incidental damages. It shall be in Kelleher's sole discretion to determine whether to re-offer the lot theretofore hammered-down to a Non-Complying Bidder at the same auction, or by private treaty in due course, or at a subsequent auction conducted by Kelleher. In no event shall any surplus arising from the sale of a re-offered lot be payable to a Non-Complying Bidder.
- (c) A defaulting purchaser shall be deemed to have granted Kelleher a security interest in property in Kelleher's possession owned by such purchaser. Kelleher shall have all of the rights afforded a purchase money secured party under the Connecticut Uniform Commercial Code (UCC) with respect to such property and may apply against such obligations all monies held or received by it for the account of, or due from Kelleher to such purchaser. Kelleher is authorized to file a Financing Statement in order to perfect its rights as a secured party.
- (d) If Kelleher takes any legal steps to secure payment of a delinquent account, the defaulting purchaser shall be liable for all legal and other expenses incurred by Kelleher to secure such payment, including but not limited to a reasonable allowance for attorneys' fees. For purposes of this paragraph, the term legal steps shall be deemed to include any and all consultation by Kelleher with its attorneys with respect to all matters arising out of a delinquent account.
- (e) Unless otherwise acceptable to Kelleher, payment is to be made only in the form of cash, bank check or certified check, personal check (which must clear prior to delivery of lots), credit card (AMEX, Visa, MasterCard and Discover), PayPal or a bank ACH or wire transfer. Payments made by credit card are accepted as a courtesy without surcharge.

Any lot which a purchaser considers to be incorrectly described and was not examined by the bidder or his agent prior to the sale, may be returned to Kelleher within two weeks of its receipt by such purchaser ("Returning Purchaser"), provided, however, that the same is received by Kelleher within four weeks of the date of the auction and in its original packaging; however, Kelleher may, in its discretion, refuse acceptance of such returned lot. If an opinion of a mutually acceptable authority is desired (Extension), the period of time within which a lot must be received by Kelleher will be extended in accordance with Condition of Sale 7(g). In the event that a dispute cannot be resolved by reference to a mutually acceptable authority, and Kelleher thereupon undertakes to re-offer the lot with a description identical to the description disputed, the Returning Purchaser shall be liable for the deficiency, if any, between the proceeds of the sale to the Returning Purchaser and the proceeds of a sale to a subsequent purchaser, as well as for all costs and expenses of the re-sale, including commission, and all incidental damages. (e) Expenses incurred by a purchaser in the submission and the return of a lot under Conditions of Sale 7 is not subject to refund. (f) Numerical grading is subjective and is based upon the condition of each issue. Lots may not be returned if a third party grades a stamp at lower than our grade.
