Dear Mrs. Loscalzo:

I am glad you liked the Post articles. I am in hopes you will find similar satisfaction from reading the little book when it is issued.

I was greatly interested in the information which you send to me. I would be glad indeed if you would send me more of such information.

I have not heard from Mr. Pollice for a very long time and I would appreciate it if your husband would convey to him my high regards.

Yours faithfully,

Herbert Hoover

Dear Peg,

It was great to see you both while we were in Palm Beach -- and I'll bet Mary Lou is there now lapping up the sun -- we got all tied up at the end of the week -- as a matter of fact I had to come back here to rest up!

I called the White House and I now have Dick's signature card from LBJ -- it's on a White House card with the seal on it....

I am going to send it to 3410 East 4th Street because I'm not sure of the address of the motel.

Thanks again for lunch -- and hope to see you soon.

Lots of love,

Yann

Dear Mr. Temple:

Being laid up in the hospital with an infected knee has given me an opportunity to catch up on my correspondence.

Miss Woods called my attention to the letter which you addressed to her on August 21 and I want you to know how pleased I am to know that I can continue to count on your support in this campaign.

With every good wish,

Sincerely,
