Rebecca & I are on a freighter, which
left Detroit the morning of July 4th.
Only three other passengers on board.
It was a perfect time. Just means
Detroit, but as not stop, and we won't
know until reaching there, what port
the boat anchors (the cargo of the
maybe Cleveland or Erie). The
boat will be taken up by the
boat on the river, so and bringing
off these lines. Shall expect to have
a pile of mail from you on my
return. Probably find the 76, but
returned also. Had not heard when
I left if you had ever seen him.
Been up in the look out all day.
Got the nicest captain and crew!
