BRITAIN'S SECOND MINIATURE SHEET

This is the second miniature sheet issued by the British Post Office. The first contained the four stamps of the 1978 "British Architecture — Historic Buildings" set which were issued on 1 March 1978.

This sheet contains the four stamps issued on 22 August 1979 to mark the centenary of the Death of Sir Rowland Hill.

The British Post Office has agreed to help the London 1980 Exhibition by providing means of financial support. The amount in excess of the face value of the four stamps will be available to help finance the 1980 Exhibition; any money not required for this purpose will be put into a special fund for philately. A third sheet commemorating the 1980 Exhibition itself will be issued in May 1980 at the time of the exhibition.

The stamps were designed by Eric Stemp. The miniature sheet was printed in photogravure by Harrison & Sons (High Wycombe) Limited. The pack was printed in Great Britain by Moore & Matthes (Printers) Limited.
