1. SEVEN UP. Date of this scene here, but

36559-S. H. KRESS & CO.

Wish I could send
you some of the pretty
spring flowers all in
bloom. The gardens
are all up. I guess
they will be eating some
of the vegetables before we
get ours in. Will
see you next week -
Joe Barker Jr.

CAMELLIA BLOSSOMS FROM
CHARLESTON, S. C. GARDENS

The camera has caught for you a variety of camellia blossoms, resplendent in Charleston gardens. The Camellia Japonica plant was imported over a century ago for the Middleton Gardens. Camellias grow as high as twenty-five feet in the semi-tropical gardens about Charleston. In Magnolia Gardens, alone, there are over five hundred varieties.
