Sc# 409 is cancelled in Dearfield, Colorado, an extinct, historically black majority settlement. Dearfield was founded in 1910 as a colony for African Americans. It prospered until 1922 with a population of 300, but the Great Depression took its toll and by 1940 the population had decreased to 12. In 1995, the town was listed on the National Register of Historic Places. It is also a Colorado Registered Historic Landmark.
