Isaiah Thomas was an apprentice printer at the age of seven and was fully skilled in printing and writing at age 18. In 1770 he courageously published an anti-British journal, "Massachusetts Spy". He rode with Paul Revere on the famous night of April 18, 1775, and joined the militia in battle at Lexington and Concord. Throughout the Revolution, he continued as the "official printer for the patriots" and eventually became the leading American publisher of his time.

UNITED NATIONS POSTAL ADMINISTRATION

WORLD HEALTH DAY - 7 APRIL 1972

Plans for economic development and for raising standards of living cannot succeed anywhere in the world unless plans are made for health improvement at the same time.

"Health is a state of complete physical, mental and social well-being and not merely the absence of disease or infirmity."

So reads but one of the terms of the Constitution of the World Health Organization, a United Nations specialized agency established on 1 September 1948 to achieve the highest possible standards of health all over the world.

HAFNIA 76

INTERNATIONAL STAMP EXHIBITION

20-29 August 1976

HAFNIA — det latinske navn for København — har en klang, der minder om de dage, da Nordens søveje førte krig og handel til denne eldgamle "Havn".

København er idag forbundet med omverdenen ved hjælp af poststrøjer, som bringer breve med frimærker fra alle lande.

HAFNIA 76, der er under protektion af Hendes Majestæt Dronning Margrethe II, byder filatelisten over hele verden ved at fejre 125-årsdagen for udsendelsen af Danmarks første frimærke.

Dette filatelistiske souvenir kort er udgivet af United States Postal Service, som en særlig hyldest til HAFNIA 76.

HAFNIA — the Latin form of København — echoes the days when the sea lanes of the North brought war and trade to this ancient "Havn".

Today, Copenhagen is connected with the world by postal routes that bring mail with the stamps of every nation.

HAFNIA 76, under the gracious patronage of Her Majesty Queen Margrethe II, pays homage to the international community of philatelists, as it marks the 125th Anniversary of the issuance of Denmark's first postage stamp. The United States Postal Service issues this philatelic souvenir card especially to honor HAFNIA 76.

THE BICENTENNIAL EXPOSITION ON SCIENCE AND TECHNOLOGY

Kennedy Space Center, Florida

May 30—September 6, 1976

America, discovered by a man testing his notion that the earth was round, has mothered endless inventions from the lightning rod to the transistor.

The Bicentennial Exposition on Science and Technology reflects the American spirit expressed in developments and inventions that helped build our country and change our world. Our philatelic Souvenir Card is a tribute to this Exposition and the American ingenuity it celebrates.

COLORADO

August 1, 1976

BICENTENNIAL ERA 1776-1976

"THE CENTENNIAL STATE"

Colorado, in whose honor this philatelic souvenir card is issued, became the 38th State in the Union on August 1, 1876, in the 100th year of American Independence. Thus, in 1976 Colorado has the unique distinction of celebrating both the Centennial of its own Statehood and the Bicentennial of the United States of America.

These three stamps selected by the Colorado Centennial-Bicentennial Commission represent three eras: Cliff dwellings of Mesa Verde National Park symbolize the Native American presence since prehistoric times. John Charles Fremont's Rocky Mountain expeditions recall the westward expansion of the early Republic. Present and future are signified by the Colorado State Flag on one of the 50 Bicentennial Era stamps honoring all of the States.

STOCKHOLMIA 86

Stockholm, Sverige
28 augusti – 7 september 1986

Detta minneskort ges ut av det amerikanska postverket med anledning av STOCKHOLMIA 86.

De frimärksmotiv som återges på korten har valts ut som en hyllning till Posten i Sverige vid dess 350-årsjubileum. Det svenska 15-öresfrimärket, som visar en beriden postryttare som blåser i sitt horn, gavs ut år 1936 för att markera 300-årsjubileet. Den amerikanska 2-centsutgåvan från 1869 har ett liknande motiv och var ett av de första amerikanska frimärkena med annat motiv än porträtt.
