PFA, Swedish Stamps, begins its 60-year jubilee with the issue of six new stamps engraved by the sure hand of Martin Mörck. The theme is boats. These boats, built for Sweden's inland waters, represent yet another part of our cultural history now documented on stamps. Strong, well-built boats, each one a masterpiece, reflecting the care and love lavished on things meant to be lived with for a long time. Examine the finish, the details. That kind of craftsmanship is exceptional in these days of mass production. But you can still find it in the engraving of Swedish stamps.

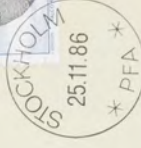

Zur Einleitung des Jubiläumsjahres 1988 werden sechs neue Briefmarken zum Thema „Schwedische Binnenseeboote“ herausgegeben, von Martin Mörck mit sicherer Künstlerhand graviert. Phantastische Boote, die durch Generationen auf den Binnenseen Schwedens Wind und Wetter getrotzt haben. Jedes ein Kunstwerk für sich. Konstruiert und gebaut mit feingefühligem Bootsbauergeschick. Hier liegt Seele in der Arbeit. Das spürt man am Finish und in jedem Detail. Solch handwerklichem Können begegnet man in unserer rationellen Zeit nur noch selten. Die gewissenhaft gravierten Briefmarken sind so eine Seltenheit.

När PFA's jubileumsår 1988 avslutas, görs det med en vacker serie julfrimärken i en spännande bildkomposition. Motiven är hämtade ur Julevangeliet, och tolkade av konstnären Mats Rehman, som inspirerats av den tidiga folkkonstens uttrycksfulla enkelhet. Gravören är utförd av Zlatko Jakus.
