It does not cause allergy conditions—it does not interfere with vitamin absorption—it is neutral and inert—resistant to attack by intestinal enzymes or fermentation. Its non-absorptivity, uniformity of texture and uniformity of gel-strength offers advantages over the variable gums and seeds.

WHAT'S THE DIFFERENCE?

Socialism—you have two cows; give one cow to your neighbor.

Communism—you have two cows; give both to the government; the government gives you the milk.

Fascism—you have two cows; give milk to the government; government sells it.

Nazism—The government shoots you and takes the cow.

Capitalism—you sell one cow and buy a bull.

Townsendism—milk both cows and feed them the milk.

Anarchism—keep your cows; shoot the government; then go steal another cow.

Conservatism—embalm the cows; freeze the milk.

Dear Subscriber:

As your COMFORT subscription will run out before long, I am going to make you a special Valentine renewal offer that you positively can't afford to let pass.

You'll wonder how I can afford to do it.

Here's why:

It saves me time and money to have subscribers renew in advance. This saving I'm glad to pass along to you. In this case, in the form of a Gift subscription.

Here's the offer:

If you will send 50 cents within 15 days, for a renewal of your COMFORT subscription to Comfort for three years, I'll also send you a Valentine to my friend of yours whom you may select. That's three years for only 50 cents and a year for subscription to the regular 3-year rate of 50c. You'll get a Valentine every month for a whole year.

All you have to do to take advantage of this extra gift of a year's subscription is to write the name and address around a 50-cent piece and mail it back to me within 15 days. I take the risk. Besides all that, I'll send your friend an attractively colored Valentine greeting card, telling her that the gift came from you. The first number of the gift subscription will reach your friend just before Valentine's day.

No need to write a letter, because your name on the other side tells me right where to find your card.

Faithfully,

W. H. Gannett,

Publisher of COMFORT.
