URUGUAY  
#626

The basic stamp is of considerable interest as it is not only in the listed rose red shade, but quite distinct carmine red color.

collection of varieties was  
rare and all are great rarities;  
as far as is known only 100 each,  
but only in the one color for the  
variety.

surcharges are also here in both  
shades. These last are not in the same class as  
other 2.
