Dear Sir

I received to day your very kind
 letter and thank you very much for your goodness.
 I have find many stamps that I have not in my
 small collection. I must thank the American
 people to be so sympathetic for their pros policy.
 I have received your name from one of my Com-
 rades in the camp saying that you was a great
 collector and that your name was published in
 the American Philatelist.

I recommend me to your good sense
 if you have stamps for my collection. Thanking you
 in advance. Sincerely Dear Sir

Yours very sincerely
 R. Becker
