Certificate of Appreciation

The U.S. Fish and Wildlife Service Thanks You for Buying Duck Stamps and Putting Your Stamp on Conservation

With each Federal Duck Stamp you purchase, you're buying considerably more than just a beautiful work of art by one of America's outstanding wildlife artists. You're helping to conserve acres of wetland habitat necessary for healthy and sustainable waterfowl populations and also the enjoyment of people. Since 1934, thanks to collectors like you, we've used \$750 million generated by Duck Stamps sales to protect more than 5.2 million acres of waterfowl habitat at hundreds of national wildlife refuges. In addition, Junior Duck Stamp sales support environmental education programs and awards for all American schoolchildren. In 2008, nearly 30,000 students from kindergarten through high school participated in the Junior Duck Stamp conservation education program now in its second decade.
