Unité monétaire actuelle : 1 Escudo = 200 milréis.

1855. — A la mort de Dom Maria II (1818-1858) son mari l'archiduc de Saxe-Cobourg-Gotha est appelé à la régence pendant la minorité du nouveau roi Dom Pedro V, né en 1837. A la mort de son père, en 1858, les Portugais portent son effigie en relief à droite.

1866-84. — Nouvelle effigie du roi en relief à gauche.

1902. — Dom Pedro V (1837-1861) sans l'ajout d'un enfant, son frère Louis, né en 1838, lui succède sous le nom de Dom Luis I^{er}.

1876.

1880. — Effigie du roi à gauche.

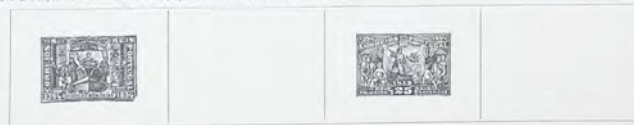

1852-57. — Cadres variés.

1892. — Effigie de Dom Carlos I^{er}, fils de Dom Luis I^{er}, mort en 1889.

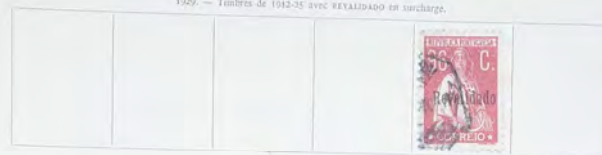

1492. — Timbres commémoratifs émis à l'occasion du cinquantième anniversaire de la naissance de Dom Henrique, surnommé le Navigateur (1394-1460). En 1416 il fit construire au cap Sagres un observatoire où il établit un observatoire. C'est de là qu'il fit partir en 1419, les hardis navigateurs qui devaient chercher vainement un nouveau passage vers les Indes par le Sud de l'Afrique. Toute la côte occidentale de l'Afrique fut explorée et colonisée par lui ; il prit une part active à l'expédition contre les Maures, qui lava Coïta et Tanger aux Portugais.
