after seeing these beautiful animals up close, they, along with sea otters are my NEW "FAVORITE ANIMALS." Well, our Alaska journey is coming to and end, after spending the past three weeks on the Kenai Peninsula. Today we start the long road back - Boy! Is Canada one long haul! We'll take a northerly route back - skirting floods, forest fires or snow. Hope all's well - Hear it has been WET - HERE TOO!

Love, Carol
