First issued in late 1912 (officially January 1, 1913) the stamps served the dual purpose of commemorating the Panama Canal and, also, publicising the Panama-Pacific Exposition planned to be held in San Francisco in 1915. The original issue was perforated 12 and later, in 1915, appeared perforated 10. Original color of the 10c was an orange-yellow. Changed, officially, on August 25, 1913, to a darker shade known to philatelists as "orange".
