# THE U. S. PRESIDENTIAL SERIES OF 1938

This regular stamp series of 1938 was used for the following twenty (20) years. It was the workhorse of W. W. II and the post war era. Collecting stamps from this series on covers gains enjoyment, with special attention to extra markings.

A 1944 cover from Honolulu, T. H. flown by "Clipper Plane".

Attention is directed to the interesting markings on this 1964 cover to France that must have been "Returned to Sender".
