Issued as a series of ordinary postage stamps replacing the 1922-31 stamps this set is called the Presidential issue because all of our past presidents who had passed on as of 1938 are pictured. Starting with George Washington and ending with Calvin Coolidge the presidents are listed in the order in which they served. Also included are Benjamin Franklin (½¢), Martha Washington (1½¢), and view of the White House (4½¢).

PRESIDENTS, PATRIOTS AND SHRINES
1954-59

Benjamin Franklin

George Washington

Mt. Vernon

Thomas Jefferson

Bunker Hill Monument

Statue of Liberty

This series, known as the Patriotic Issue, replaced the Presidentials as the regular postage set. It paid tribute to some of our illustrious citizens of the past who played important roles in American history, and to famous shrines. Although the stamps are listed as Rotary Press printings, the 8c value (#578) was also printed by Flat Plate, the difference being almost indiscernible. The $5 value was printed by Flat Plate only.
