First Issue (1967-1975)

The first Agrah revenues appeared in the Gaza Strip in 1967. The overall design, sheet format and perforations are identical to those of the regular set of Agrah stamps. They differ only in that an additional text was printed across the bottom of each stamp. "MIFKEDETH KOCHOTH ZAHAL BI-RETSQUAAT AZZA VE SINAI", which means "Zahal Headquarter Forces in the Strip of Gaza and Sinai". In addition to their official uses on documents and licenses, they were used on travel permits to Jordan and other Arab countries, identity cards and passports.

On April 30, 1979, after an armed robbery of most of the Revenue stamps at the Tel-Aviv Post Office, an official notice was cabled to all Postal outlets in the country calling for the immediate withdrawal from sale of all Revenue stamps and ordering the return of all stamps still on hand. New stamps were then printed bearing the Zahal emblem on the top right side of the stamp.

This set was issued by the Military Governor in Gaza and Northern Sinai for exit permits to neighboring countries—Egypt and Jordan. They were also used for Identity Cards, Passports and for Arabs visiting their relatives in Israel. This
