The above cover was carried from Chicago, Ill to Seville Spain on the Graf Zeppelin and then to Scotland by regular mail. The cover below was sent from Chicago to Friedrichshafen, Germany on the Geppelin and then to Scotland by regular mail to a friend who sent both covers back to me. These covers were sent to him as I was not sure the others would come back with out extra postage. These two covers would travel about 9,000.00 miles each.
