The Ministry of Posts of Israel takes pleasure in announcing the forthcoming issue of a commemorative postage stamp honouring the mobilization of the Yishuv during the Second World War. The stamp of the denomination of 120 pruta is designed by Messrs. M. & G. Shamir, Tel Aviv, and depicts a soldier parachuting behind enemy lines — symbolizing the heroism of Jewish volunteers during the Second World War.

Over thirty thousand men and women of the Yishuv answered the call of the National Institutions and volunteered for service with various Jewish Units in the British Army. These Units eventually formed the Jewish Brigade which participated under the Jewish National Flag in the battles for the liberation of Europe and played a decisive part in saving the survivors of the Jewish people in Europe.

The stamp is printed in green colour by Messrs. Lewin-Epstein, Bat Yam, in photolithography on watermarked paper. The post-office sheet consists of 25 stamps with five descriptive tabs adjacent to the bottom row. The stamp with the plate number 112 is comb-perforate 14.

Ornamental First Day Covers bearing the new stamp and cancelled with the Jerusalem Post-Office date-stamp in addition to the "Day of Issue" special stamp will be available at 160 pruta *) each. Philatelists residing abroad are invited to place prepaid orders for this stamp and/or First Day Covers with the Philatelic Services, G. P. O. Building, Jerusalem, Israel.

The arrangements outlined above are subject to alteration.

Director, Philatelic Services
