Mr. Albert Lucas,

Dear Mr. Lucas:

You undoubtedly remember the conversation I had with you in regard to persuading Ambassador Elkus to lecture at the public forum of one of our societies in Brownsville. You promised me to use your influence and endeavor to get Mr. Elkus accept their invitation.

I wish now to remind you of your promise and ask you to speak to him as soon as possible as they would like that Elkus open the series of lectures which is to begin on November 17th.

I also wish to ask you to hold yourself in readiness to deliver a lecture at the same forum as they may call on you during the month of December.

Thanking you in advance, I remain

With Zions greetings,

Very truly yours,,

M. Berh
President.

Dear Sir:

In reply to your letter of Nov. 4th Rabbi Berlin, wishes me to say with regret that owing to personal domestic difficulties, it will be impossible for him to participate in the preparations for the meeting of the Committee on Reconstruction.

He wishes me to assure you however, that he will do his utmost to further your constructive work as soon as circumstances permit. For the same reason he will be unable to attend the meeting of the Russian Committee to-morrow.

Yours respectfully,

A. Lucas
Sec'y.

Rabbi Meyer Berlin,

Dear Rabbi Berlin:

I have spoken to Mr. Elkus, and he asks for further particulars of the proposed meeting on November 17th.

Will you please let me know what are the objects of the meeting, that is to say what is to be the line of his address? The exact address where the meeting is to be held and what is the probable audience that he may expect?

If the answers to these questions are satisfactory to Mr. Elkus, I think that I can induce him to attend.

Very truly yours,

Chairman, Emergency Committee on Jewish Refugees,
1 Madison Avenue,
New York.

Dear Mr. Marshall:

Your communication received and I fully appreciate the conditions and situation, but unfortunately I am not in position to aid financially nor have I the time at this period to help to raise funds, though I would gladly do it if conditions would permit. I have a hard campaign on which will require my entire time, etc.

Regretting exceedingly that I cannot cooperate, I remain,

Respectfully yours,

A. J. Sabath
