BOATING

Required on applications for the certificate of number for motorboats of more than 10 horsepower, starting April 1, 1960. The pictorial upper part of the \$3 stamp was attached to the temporary certificate and kept by the boat owner. The lower part (stub), showing number only, was affixed to the application and sent by the post office to the U.S. Coast Guard, which issues permanent certificates. The \$3 fee was for three years. The \$1 stamp covered charges for reissue of a lost or destroyed certificate of number.
