Captain Cook Bicentenary

DISCOVERY OF EAST COAST OF AUSTRALIA IN 1770

Cook,
giant among
navigators,
enters the
Pacific...

and fixes the
position of the
eastern part of
Australia...

where he finds
new people and
strange animals.

He and his
scientists chart
the shores
and sketch
the flora...

and sovereignty
is proclaimed
over the land
discovered.

50th Anniversary of first Trans-Pacific flight 1928-1978

On 31 May, 1928, Australians Charles Kingsford Smith and Charles Ulm (co-commanders) and Americans Harry Lyon (navigator) and James Warner (radio operator) left Oakland, California in the aircraft 'Southern Cross' to attempt the first flight across the Pacific. Flying via Hawaii and Fiji, they reached Brisbane, Australia 11889 kilometres away, nine days later.
