Early Means of Mail Transport
1974

Lima, 10 de julio de 1972.

La Dirección de Correos y Telégrafos del Ministerio de Transportes y Comunicaciones, correspondiendo a la constante demanda de los coleccionistas por novedades filatélicas, ha editado esta Tarjeta que está destinada a la colección especial de las estampillas

CALENDARIO INCAICO

que, en forma estacional, se pondrán en circulación en 1972 y 1973.

Las estampillas de esta Tarjeta serán editadas en el Museo Postal y Filatélico con el material especial correspondiente al Primer Día de cada una de las emisiones, que presentarán los 12 meses del año según la versión de Felipe Guamán Poma de Ayala, nieto del Inca Tupac Yupanqui.

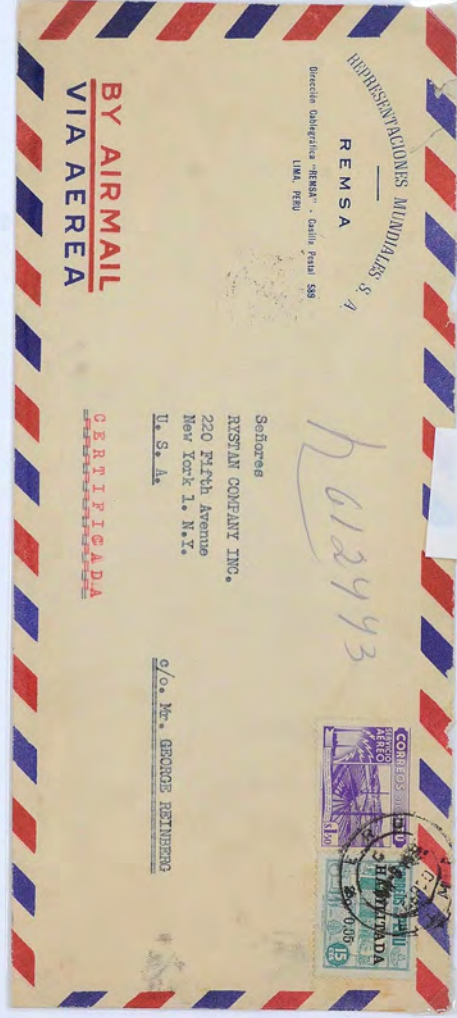

Los dibujos, de estilo desahogado y rudo, pero rico en la representación primitiva e ingeniosa de las expresiones que caracterizan la época que viviera el autor, fueron descubiertos en 1968 en la Biblioteca Real de Copenhague por el Dr. Richard Pletschman, al hallar la obra "La Nueva Crónica y el Buen Gobierno" escrita y dibujada por Guamán Poma.
