## BENJAMIN FRANKLIN HALF DOLLARS

1948 to 1963 Inclusive

John R. Sinnock was the designer of this coin which shows the bust of the beloved Benjamin Franklin, world famous writer, philosopher and statesman who did much to shape the United States during its birth as a nation. The designer's initials J. R. S. appear on the truncation of the bust.

The liberty bell on the reverse side was adopted from the Sesquicentennial of American Independence Commemorative half dollar of 1926 also designed by Mr. Sinnock. In keeping with the U. S. laws, an eagle was also incorporated into the design. The D and S are mint marks: D stands for Denver; S, San Francisco; no letter, Philadelphia. The mint mark appears above the beam on the reverse side. The quantities minted each year are shown in the following list:
