This little label could hasten identification and return of your luggage should it ever become misplaced. We hope this never happens, but as a precaution, you need only complete the label, pull it off this backing and affix to your luggage.

Como medida de precaución, aunque esperamos que la necesidad nunca se presente, le invitamos a llenar esta pequeña etiqueta y pegarla de su equipaje para permitir la identificación y reexpedición del mismo en caso de pérdida.

Cette petite étiquette permettra l'identification et le réacheminement de votre bagage en cas de perte. Nous espérons que ce ne sera jamais le cas, mais comme précaution, il vous suffit de remplir l'étiquette, de la séparer de son support et de la coller à votre bagage.
