Recent Commonwealth Printings

Released by Crown Agents 2.4.68

Malaysia (National): 25c., 30c., 50c. Johore: 2c., 5c., 6c., 20c. Kedah: 5c. Kelantan: 5c. Melaka: 5c., 20c. Negri Sembilan: 2c., 6c., 15c. Pahang: 2c., 5c., 6c. Pulau Pinang (Penang): 2c., 5c., 20c. Perak: 2c., 5c., 6c., 15c., 20c. Sabah: 5c., 6c., 10c. Sarawak: 1c., 10c., 15c. Selangor: 2c., 5c., 6c., 10c., 20c. Trengganu: 5c.

Printed, no doubt, around the same time, the same changes, such as they are, more or less apply to all. The greens on the 2c. and 5c. are much brighter, particularly in the case of Malacca and Sabah 5c., and these two stamps at least are worth attention, in spite of the fact that the orchid leaves concerned only form small parts of the design and so do not show up much unless carefully studied. Recently, the Sabah 15c. was catalogued in a new shade, the original black now being a "brown-black", to quote the listing. Something of the same kind occurs now on the latest 5c. of the same country, but in most cases the black, on most of these latest printings, does vary slightly from previous printings. All in all, the whole 38 stamps will be found to be interesting to specialists at least.

For the first time the new PVA gum has been used for the following values: Malaysia National, 25c., 30c., 50c.; Johore, 6c.; Melaka, 20c.; Negri Sembilan, 6c., 15c.; Pahang, 6c.; Perak, 6c. and 15c.; Sabah, 5c., 6c., 10c.; Sarawak, 1c., 10c., 15c.
