CHICAGO

Dear Sir:-

Now is the time to think seriously about California. On Monday, June 12th, we will run an excursion from Chicago to "Rio Linda Colony" in Central California, adjoining the City of Sacramento. The rate for this excursion will be \$62.50 for the round trip.

Think of this!—you can make the trip with stop-over privileges at all California points, going as far South as Los Angeles. This gives you an opportunity to see the State at a time when harvesting is going on. You can see for yourself where grapes, peaches, apricots, plums, cherries etc., are raised in abundance and at big profits, and where the raising of beans, asparagus, hops, celery and all other vegetables has reached the highest state of development, as regards quantity, quality and profit. Then, too, a visit to the busy, hustling city of Sacramento will be a pleasant surprise for you.

We will leave Chicago Monday, June 12th, at 10:45 P. M. from the Northwestern depot; leave Omaha, June 13th, at 3:50 P. M.; Denver, June 14th, at 9 A. M. over the D. & R. G.; R. R. passing through Colorado Springs, Pueblo, the Grand Canyon and the Royal Gorge on the afternoon of June 14th, arriving at Salt Lake City, Tuesday, June, 15th, and Sacramento, Friday P. M. June 16th, or if you desire to stop over at Salt Lake City for a day, you will arrive at Sacramento, June 17th.

Please be particular when purchasing your ticket to specify the "Chicago & Northwestern, Union Pacific, D. & R. G., and Southern Pacific to Sacramento and San Francisco" and for the return specify the route you desire. These tickets are "first class" and permit either Standard or Tourist Sleeper reservations; therefore on the attached postal, please designate which is desired. It is important that these postals reach us by Friday, June 9th, in order that we may engage your berth.

Hoping that we may have the pleasure of your company, I beg to remain,

Yours very truly,

A. C. ROEBUCK.
