La *Liscia* è un antico gioco invernale,
precursore del bob. Su una pista di neve
ghiacciata, preparata accuratamente nelle
vie della città, si scivola a cavalcioni della
scarannina, un piccolo seggiolino in legno.

Il *Saltarello* si gioca tracciando col gesso una
figura con sette caselle e tirando a turno un
sassolino in una casella. Vince chi riprende
il sassolino saltando attraverso tutte le caselle
su un piede solo e senza montare sulle righe.

Liscia is an old winter game, forerunner
of bobsleighing. On a carefully
prepared frozen snow track
in the city streets, one sits astride
a little wooden seat called *scarannina*
and slides down.

The game *Saltarello* is played by drawing
with a chalk a special design on the road
and throwing a pebble, in turns, into
one of the seven boxes. The winner is the
one who hops over all the boxes without
touching the lines and retrieves the pebble.
