Haa Alifu Atoll is
the northernmost of
the 19 administrative
atolls of the Maldives. It
contains 43 islands, 14
of which are inhabited
and classified as 'island-
class' constituencies.
Haa Alifu Atoll is the
third-largest atoll in
the Maldives in terms
of population and land
area.

UNOFFICIAL GREEK OVERPRINT FOR AYVALIK

Another group of unauthorized overprints were prepared in Ayvalik, which reads: "ELLHNIKH KATOXH KYDONION" (Greek settlement in Ayvalik). This represented a patriotic effort by local Greeks and was not recognized by the Government in Athens. The following stamp sheet illustrates these overprints, as cancelled with: "ELLHNIKHON/TAXYDPOMEION KYDWNION". It also carries the military cachet used in Ayvalik.
