MAJOR'S CEMENT, MENDS EVERYTHING.

TRADE MARK.

Two medals awarded at the World's
Columbian Exposition.

If not called for within 5 days, please return it

An ordinary plate broken in two and mended with "Major's Cement" held a stone weighing 100 pounds during the World's Columbian Exhibition at Chicago 1893.

Physicians and other smart people use it to fasten bandages on sore fingers and other sores. It will hold the bandage firmly in place, will facilitate healing, permit ordinary use and washing of hands.

For obstinate running sores use bandages like one tied at end, you can place absorbant cotton inside, the cotton may be changed without disturbing the bandage.

MAJOR'S RUBBER CEMENT

IT'S
THE SORE FINGER

THAT CATCHES ALL THE HARD KNOCKS

Use a little of Major's Cement, and put
on a bandage like small finger on other
side.

Then you can eat, sleep, work and wash
your hands. This bandage protects and
allows the sore to heal rapidly.

FOR OBSTINATE RUNNING SORES

use a bandage, with absorbent cotton,
like large finger on other side.

The Illustrated Youth and Age

NASHVILLE, TENN., solicits your co-operation in raising a fund to erect a monument in Washington City to the memory of the victims of the Maine. You can help the cause without cost to yourself. **HOW IT IS DONE:** You send us lists of names of persons

who you think would co-operate and 50 cts. for 6 months' or \$1 for 12 months' subscription. We keep 60 per cent to cover actual cost of paper, and deposit balance in bank to credit of

"Monument Fund." A printed letter, which will explain our

plan, will be sent to each of the persons whose names you send us, and we will allow you a cash rebate of 10 cts., or, if you prefer it, we will credit your subscription account with 20 cts., for each of your friends who respond. Your friends may send us a list of names of persons to whom we will send printed letters, and we will allow them the same rebates or credits. Thus the ball may be kept rolling, the monument built and the paper received, without cost to you or your friends. A printed statement containing list of late contributors, etc., appears in each issue of the paper.
