My dear Brother. I. Oct. 4th 98
 When you are dead in it now I send you to-day a paper with an account in of the photographing. You want to save it as they are very scarce things. I have sent in three of plates and Post Springs. You can look them off and mount them on some nice cards. If you send me 2 1/2 dollars I will send you 1 dozen 8x10 photos mounted. They are brought to. And you can mount them up out of sight. Send it in a money order. I am well and feeling good. Keep this card as there are not many of them made. Frank.

You are doubtless

a good deal happier; but we
were there we were going and then
just as there was no more but
near it looks like we were not.
The trip was all discouraging and
don't care whether school looks or
not. Our old camp got so unhealthy
that it was condemned and dug
up yesterday we moved about
a mile and a half off to another
place where we are now working
to get fixed up. The ground is
covered with stones where we are
now and they all have to be

thing in Tampo, blocked in white +
black, like a checker board. If you
remember, it's just like the walks at
Mt. Vernon Place. On our way we
stopped at a cottage for water, +
were handed a pitcher of ice water. A
little girl ^{there} presented me ^{with} a rose. I was
sorry I had nothing to give her in

Received your letter of the

answer you will still get this in time. Well
next time I write I think I'll be able to send
you some money. My arm is getting along fine and
I am feeling first class and glad to hear you
are all well. Tell Lizzie and the others I would
like to have them write when you do. When
Harris went to go away I told him to go up and
see you as he lives close it wasn't much bother

to him and word from the man -
all hollow. Poor Bert or (rich) Sells thinks he will
be discharged on account of his hearing ^{being}
affected I would not write this but I suppose
you know that for it is in the papers I
always make it a point to forget to write
who are sick for it does no good Clark
says in the paper -
let you in the guard line but you

can see what they are like and if you stay
for dinner I will send you the paper as you
to-day and you let - get over again -
