SPAIN 1930 AIRPOST ERROR OF COLOR OF THE DESIRABLE LINDBERGH ISSUE honoring great North & South American Aviators and their Aerial Feats.

1 Peseta mint (regular Scott #755) the only color known to be in existence is Carmine Lake. After securing this desirable issue, we found the above mentioned 1 Peseta in ROSE BROWN. This represents an extremely valuable Error as Spain is a member of the Postal Union which abides to the strict rule that errors are not permitted to circulate but shall be destroyed immediately.

Large sums have been offered us for this error but it is our desire to pass worth while material to our customers at direct Savings.

Therefore, it gives us great pleasure to offer this Rarity at a fraction of its real Value of net only
