FIRST DAY OF ISSUE

75 YEARS UNIVERSAL POSTAL UNION.

75 years have passed since the Universal Post Union was established. On September 15th 1874, representatives of 22 states assembled in Bern in order to conclude an agreement. After 14 meetings a contract could be signed which created the uniformity of all postal destinations in an area with a population of 350 millions. The Universal Post Union is the work of good will and community, and there is nearly no place in the world which can not be reached by post.
