Captain Britain has been the UK's protector for years but in the exclusive strip created for Royal Mail - illustrated by legendary British artist Alan Davis - the hero faces his toughest challenge yet: Thanos, the Mad Titan. Obsessed by death, Thanos has attempted to bring destruction and chaos to the UK only for Captain Britain to call on his closest allies to stop him in his tracks. The featured heroes can all be seen on the stamps in the collection. This unique strip is far more than an exciting Marvel mini epic - some of the panels are also stamps that can be used to send Marvel's heroes across the country, as Royal Mail and Marvel combine to stamp out evil across the world.

An exclusive Marvel team-up

Then with a terrifying roar,
The water bursts in through the door.

The bath is rocked from side to side,
And Pookey quite enjoys his ride.

3503a

Then Alice looks a trifle glum,
"I'm going home," he tells his chum.

The large bird says, "Our king will know;
Climb on my back and off we'll go."

3505a

"There's something puzzling all of you,"
Says Rupert, "So please tell me too."

"My cuckoo's back again - Annoy!
He didn't really go away!"

3507a

Though Rupert searches all around,
There's not one spruce tree to be found.

The tree is such a lovely sight,
That Rupert's chums gaze with delight.
