EUROPA 92

"Anniversary of the Discovery of America"

The Pilgrim Fathers left Delfshaven, Holland in July 1620 on the "Speedwell" which was finally abandoned in Plymouth, and it was the "Mayflower" which carried the little band of Pilgrims safely from England to the New World. Their military leader was Captain Myles Standish who had his home in the Isle of Man. The first successful English colony was established in December 1620 in Plymouth, Massachusetts.
