'32 Olympic medalist Evelyn Hall Adams dies

Silver medalist in the 80-meter hurdles in the 1932 Olympic Games, Evelyn Hall Adams, died April 20, 1993, in Oceanside, Calif. She was 83.

According to the *Chicago Tribune*, a photo indicated that Adams may have actually beaten the gold medal winner in the event, Babe Didrikson (later, Zaharias). The Olympic Committee was not willing to accept a tie or to make use of a photo. They declared her more famous opponent the winner. Adams and Didrikson shared the record for the event of 11.7 seconds for 17 years before

it was broken.

Adams later worked for the Chicago Park District and she was the coach and manager for more than 15 years of several American women's track and field team and was coach-manager of the American women's track team at the first Pan American Games in 1951.

In 1988, she was enshrined in the National Track and Field Hall of Fame.
