1960 Boating Use Revenue Stamps

1960 Boating Use Revenue Stamps: After April 1, 1960, boats with 10 horsepower engines or larger required registration with the U.S. Coast Guard. Boat owners accomplished this by purchasing a \$3.00, two-part stamp at the post office. The picture portion of this stamp was applied to a temporary registration. The post office sent the lower portion to the Coast Guard, which issued the boat owner a permanent card good for three years. The \$1.00 boating stamp was needed for reissue of a lost or destroyed permanent card.
