端午節
DRAGON BOAT FESTIVAL 1985

In the past, Hong Kong communities competed each year in dragon boat races to commemorate the patron of Chu's army, a Chinese general who drowned himself in a river in protest against a corrupt government in the 4th Century BC. The dragon boat races of today attract a huge international following and have become one of the most popular festivals in Asia.

香港、澳門兩地均舉辦龍舟賽，以紀念戰國的愛國英雄。
龍舟賽在兩地均極受歡迎，並成為亞洲最受矚目的節日之一。
