FIRST DAY OF ISSUE

★ Celebrate Fluegel Cachets ★

A career Army officer and astute businessman, Herman Fluegel's pioneering line of colorful, beautifully designed covers have stood the test of time and delight collectors to this day. Capt Fluegel worked closely with such noted cachet artists as Ludwig Staehle and Paul Hubartt to bring life to one of the greatest cachet lines in the history of our hobby. Thanks Capt – we salute your many accomplishments and celebrate a legacy of philatelic excellence!
