AIR MAIL SPECIAL DELIVERY

1936

A change to two color printing of the air mail special delivery stamp released in 1934 was made in order that the stamp would be more distinctive and easily recognized, thereby contributing to the prompt handling of such mail matter.

Great Seal of the United States

TRANS PACIFIC

1935

This stamp was issued to mark the inauguration of transpacific air mail service from the United States mainland to Manila in 1935. The design features a representation of the sun rising from the shores of America, with a sea-plane in flight over the ocean.
